## **TWELVE MONTHS ON FLOOD UPDATE**

I am pleased to inform everybody that a storm overflow pipe which runs between the area south of Dove Lane to the open beck north of Cherry Hill Park has been satisfactorily completed.

This particular project will be a major beneficial improvement for the village of Roos, as we are now in a much better position to prevent any future severe flooding occurring. The pipe starts in Dove Lane and crosses through three gardens finishing in the open beck at the back of Cherry Hill Park. The pipe is over 80 metres in length and will act as a back-up to the village beck and existing drainage systems in periods of high rainfall and flooding.

The Parish Council are very pleased with the work carried out and would like to thank the three homeowners in Cherry Hill Park whose gardens were disrupted in allowing the project to be completed. This scheme together with the improvements to many other parts of the village drainage system has shown the determination of the Parish Council to implement the Taylor Report trying to reduce the threat of further flooding.

I can also report that ERYC will soon be implementing a full camera survey of the potted section of the beck at their expense. There has also been a manhole inspection chamber constructed in the area between the houses of Dimples Cottage and the Paddock, by Yorkshire Water. A considerable amount of work has also taken place at the entrance to Greenacre Park which flooded on a regular basis. A full camera survey was undertaken to ascertain the problem and all necessary work has now been completed to hopefully alleviate this problem for the future.

D.E. Winter (Chairman Roos Parish Council)

## **Roos Parish Flood Fund**

**The above fund was established at the request of residents of the Parish who wished to help financially after the floods in June 2007 and has grown steadily over the last year.**

This notice is to ask all of you that very kindly donated if you would please attend a meeting to be held on Saturday 2nd August at 11.00 am in the Memorial Institute, Roos, to discuss how this fund should be administered in the Parish.

Any enquires please contact Jackie Cracknell on 01964 671741

August 12th Tuesday	<b>Pig Bingo</b>	Roos Memorial Institute 7.30pm start
August 17th Sunday	<b>Car Boot Sale</b>	Roos Playing Field 8.30am set up

## DEDICATION DAY

### Wednesday 2nd July 2008 ALL SAINTS' CHURCH ROOS

Mrs Farey and her team have done a marvellous job with the children of Roos Primary School. They were so well behaved in church. Their singing and artwork which they paraded around for everyone to see were fantastic. They seemed very interested in the Reverend David Whateley's rendition of his exploits around the world.

Eleven Children received a Bible as a leaving present. These children will be going on to their high schools in September.

The Garden Party afterwards held in the church grounds could have been better had the sun shone, but as usual with outside events the rains came down. The people running the stalls soon started packing up as the majority of the congregation started drifting away. The event concluded at five o'clock and a total of £355 was raised for the church.

**THE

ITEM  
IS NOT PUBLISHED**

Many thanks to all those who helped and contributed.

## CAR BOOT SALE

Sunday 3rd August in Roos Playing Fields

9:00am - 1:00pm

£5 per vehicle set up from 8:30am

Food & Refreshments available

Proceeds in aid of Roos Cricket Club & Roos Children's Playground

# FRIENDS OF ROOS SCHOOL

## ANNUAL FUN DAY - Saturday 21st June

The Pet Show, held in the morning, attracted record breaking entries and our thanks go to Sandra Baker who had a very difficult job judging the much-loved and cherished pets, which this year ranged from a rat, cats, dogs, guinea pigs to a small horse!! The 'Best in Show - Stan and Diane Kennils Memorial Trophy' was won by Ellie Lythe with her guinea pig - well done Ellie.

The afternoon brought the rain and so the outside attractions had to be closed early. However, support from the families and 'friends' of children at Roos School was, as usual, fantastic and although it certainly wasn't the day for a bouncy castle or

*Above: Helen Cowell, Sally Mayhew and Debbie Tennison*

BBQ, we had many, many visitors who enjoyed a traditional family day, complete with cream teas, Boxo the Clown and beautiful singing from the children in the Roos School Choir. Total profits on the day exceeded £1,200!! A big thank you to all the parents and 'friends' who gave their time and energy, donations of prizes for the raffle and tombola, and to everyone who came and supported the Fun Day.

At the end of the Fun Day, Penny Farey presented three members of Friends of Roos School with flowers as a thank you from pupils, past and present. Helen Cowell, Debbie Tennison and Sally Mayhew will be retiring from FORS at the next AGM. Helen, Debbie and Sally have been involved with FORS for many years and have helped raise more than £15,000 for the children of the school. If anyone would like to join FORS, they would be very welcome and would be able to 'shadow' Committee members until the AGM in January, 2009.

*Left: Boxo the clown with Alisha.*

## 66th Annual Summer Show

The weather was not too kind for the Roos & District Horticultural Societies' Show held at Burton Pidsea Memorial Hall on July 5th, but that did not deter the exhibitors from bringing along their entries. The sun finally came out in the afternoon in time for the children's sports.

The President, Mr John Oldham, introduced Mr Chris Kirkwood, a local farmer and egg producer from Rimswell who presented the Cups. He congratulated everyone involved in putting on the show and the exhibitors both adults and children on the high standard of their exhibits. Miss Beth Jackson of Tunstall then presented Mr Kirkwood with some flowers.

*John*

The Raffle was then drawn.

Unclaimed Prizes are:- Blue ticket - 84, 173, 201 & 247. Green ticket - 167 & 342

Cont.

The committee would like to thank everyone involved for their help in making the show such a successful and enjoyable day and look forward to seeing everyone next year on July 4th 2009. The Spring Show will be held in Roos on April 4th 2009.

We would like more charity, craft and table-top stalls at the Annual Show, so if you would like to make some money for yourself or organisation, please think about coming along.

*Heather Boynton being presented with her trophy by Chris Kirkwood.*

*Margaret Dodson being presented with her trophy by Chris Kirkwood.*

## **Friends of Roos WI - Pig Bingo**

**Tuesday 12th August 2008 7.00pm for 7.30pm start**

**In the Memorial Institute, Roos**

**Refreshments included + Raffle**

**All welcome, proceeds to good causes.**

## **CAR BOOT SALE**

**Sunday 17th August in Roos Playing Fields**

**9:00am - 1:00pm**

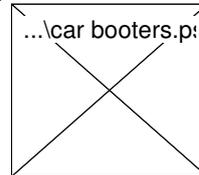

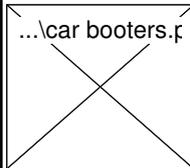

**£5 per vehicle set up from 8:30am**

**Food & Refreshments available**

**Bric-a-Brac stall, Homemade cakes and scones, Guess the weight of the cake.**

**'Name the Teddy Bear' & Face Painting.**

**Proceeds in aid of St Margaret's Church Hilston**

## Humberside Police Lifestylers

This year sees Claire Lythe as an adult adviser to “**THE ROOSTERS**”. They are:- Charlie Barnett, Hannah Goodwin and Amy Lythe.

Their Project is “ **Helping the people of Roos**”

On Saturday 26th July they are holding a table top sale in the playing field pavilion from 10 am until 1 pm including a treasure hunt, cakes and Bric-a-Brac stall, etc.

Also throughout the summer holidays they will be holding a sponsored walk, bingo session, and games on the playing field together with carrying out odd-jobs for the elderly and cleaning and painting the cricket scoreboard to cover the malicious graffiti.

All proceeds are going to the “Out of School Club”

Steph and Paul Kitchen are the adult advisers for a another group, “**THE FAB FIVE**”. They are:- Owen Kitchen, Emily Sennett, Bradley Patching, Jessica Norman and Ryan Wingham.

Their Project title is “**Helping Hands**”

On Sunday 3rd August they will be at the car-boot sale in the playing field 9 am - 1 pm selling their wares and throughout the summer holidays they will be clearing litter, possibly near the church area, holding a sponsored walk over the Humber Bridge, a sponsored bike ride to Tunstall and baking sessions.

All proceeds to Hull Special Care Baby Unit, Roos Children’s Playground and Roos School.

### GOOD LUCK TO BOTH TEAMS

## Roos Cricket Club

At the halfway stage of the season both teams haven’t had the best start to their campaign.

The first team have won only three out of their first nine games and have accumulated 88 points. Their highest score of the season came at home against Swanland when they achieved 318 for 5. Three Roos batsmen have managed to reach a century, M Dixon, P Dearing and Robbie Smith. Also two bowlers, Jon Dearing and M Dixon, have taken five wicket hauls, with the latter having also taken six wickets in one game.

The second team are still looking for their first win of the season, having played nine and won zero. They currently lie at the foot of the table with only 29 points. Their highest score of the season came at home to South Holderness when they reached 214 for 3 off their 40 overs, but still did not manage a win.

# TUNSTALL NEWS

**All Saints' Church:** When someone said that the Church ceiling needed painting it seemed like a good idea. It was definitely a good idea, but we just underestimated how much effort it would take and what the project entailed. We set up a volunteer task force of six, Christine and John Dobson-Youngman, Irene and David Fox and Christine and Stephen Midgley, who donned overalls and set to work. Fortunately, we had some lightweight scaffolding, which reached twenty feet up to the wooden rafters. David was the daredevil of the group, he showed no fear and was able to scale the dizzy heights. He climbed to the top and actually sat on the beams to carry out the necessary repairs, while the rest looked up in awe. Memories of his days at sea climbing the ships' masts came flooding back. Stephen, who is not a great fan of heights, cleaned and painted the lower roof rafters and top side walls, while John carried out the necessary repairs to plaster. The girls worked on the ground levels, painting walls and cleaning and polishing where required.

Dust and debris, plaster and paint, the whole team were covered in it. The original specification was just to paint the ceiling. However, in the end, we just carried on painting and cleaning everything in sight, including the stone floors and brass candlesticks.

The reason the PCC started the project was that there was to be a wedding in July and we wanted All Saints' to look its best. We all had a great time and were surprised at how much was accomplished in a reasonably short time. The Archdeacon of the East Riding, The Venerable David Butterfield, was visiting the church while the repairs were in progress and wrote a very complimentary letter thanking us for the generous support from the local community. It was a very rewarding experience and a great team effort.

**Tunstall Village Hall:** Once the first ray of sunshine appears it highlights how much work is required outside the village hall, maintenance projects, grass and hedges to be cut and lots of weeding. The Village Hall Group held a work party at the end of May to spruce up the community garden in time for our forthcoming programme of events. The grass was cut, lawn edges trimmed, garden borders weeded and shrubs pruned. We also laid shingle and paving slabs by the entrance to the Hall. Again, this work was very much a team effort and we thank everyone for their enthusiasm and support.

The Village Hall Group meet every Wednesday afternoon at the Tunstall Village Hall, and this year the group thought it would be a good idea to incorporate a monthly self-funded 'out and about' to our calendar of events.

**Below is a brief summary of our events to date.**

**Fish and Chip Lunch:** A visit to Thompson's Fish Restaurant in Brandesburton for an eagerly awaited lunch. This is the second time we have visited the restaurant and we are always made to feel welcome. We took advantage of the 'fish specials' including the puddings (with custard!) and forgot about our diets for the day. So many calories, all of which were delicious.

**Cottage Garden:** Elizabeth and Peter Martin invited the group to their charming cottage home in Kilnsea. We were very lucky with the weather and thoroughly enjoyed the tour of their lovely garden grounds. As usual Elizabeth excelled with her delicious spread ranging from fresh crab sandwiches to homemade cakes, strawberry scones and fresh fruit puddings with the fruit direct from her garden. Peter seems to grow vegetables and fruit at least a month ahead of Tunstall schedules, or maybe he is just a very good gardener. It was a very relaxing afternoon and the group extend their gratitude to Elizabeth and Peter for their generous hospitality. A definite date for next year's programme of events.

**Sewerby Hall:** On a glorious summer's day in June, the group had lunch at The Forge restaurant in Sewerby followed by a tour of Sewerby Hall and gardens. We thoroughly enjoyed our lunch and would recommend The Forge tea rooms and restaurant to anyone visiting the area. The walled and formal gardens with an array of flowers and shrubs were a delight as so many of the roses were in bloom. Our visit coincided with a craft fayre, with outlets such as hand-made jewellery, cards and candles which we were able to view as we walked around the hall. We ended the day with a cup of tea on the patio and everyone had such a good time that we hope to return later in the year.

**June Fundraiser - Midsummer Fayre:** We normally hold a spring event, but this year we broke with tradition and moved our fund-raising event to June. Although rather breezy, the weather stayed warm which helped our sales of hot dogs, burgers and strawberry with cream scones. The doors opened at 11.30 am and there were numerous stalls ranging from home-made cakes, plants, bric-a-brac, toys, books and videos. We would like to thank all those who contributed items to our tombola and raffle. The event raised a total of £325, which will be used immediately to pay our insurance costs for the year.

**Fundraising for Cancer Research:** Other events within the village in June included a fund-raising event for cancer research, organised by Mrs Pat Garbutt. Sadly, Pat's husband Brian died in March of this year and she wanted to raise money to say thank you to all the nurses and organisations that helped her family during this difficult time. Pat's garden was open for viewing and because of the weather, the refreshments and stalls were moved to the village hall. Pat would like to thank all those who supported the event. The total raised was £432.96, which will be sent to the Cancer Research UK.

**Sandbags:** Residents of Tunstall should note that the Village Hall has just received a stock of 80 sandbags. We all hope that we will not need to use them, but in the event of a serious flood they are for the use of the residents. In the event of an emergency, please call the Chairman or Secretary of the Village Hall and they will arrange for the bags to be distributed. Details for flood procedures and contact numbers are advertised on the notice board in Main Street.

# Alec of Avondale

## **No not a knight of the Round Table more like a night in the Black Horse.**

**Alec Dodson**:- Councillor; Chairman, Rooster Association; Chairman, South Holderness Gardening Club; Secretary, Withernsea Homing Society; and Vice-President, Yorkshire Middle Route Combine of Pigeon Societies.

Born: 13th August 1942 in Hull.

He moved to Burstwick in 1953 at the age of 11 and attended Keyingham school until moving to Withernsea High School which he left in July 1959 at the age of 16

His original career choice was to be a poultry farmer. However this meant leaving home to work in Lincolnshire where many large poultry farms existed.

Whilst at school his mentor was the late Harry Waller, whom many Roos residents will remember. He taught gardening. So with gardening now in mind he got out his bike and set off to visit market gardens in the area seeking employment. A couple of hours later he had been successful, starting on the following Monday at Preston Nurseries, not to be confused with Sandhill Nursery which was only in its infancy. Preston Nurseries was owned by George Caley, local Farmer and Auctioneer and they grew four crops, Celery, Tomatoes, Cucumbers and Mushrooms. He stayed there 15 months. The work was hard but enjoyable and very rewarding seeing the crops grown and then harvested. There were 15 permanent staff employed and around 20 casual employees during harvesting. This was also the time when he met his wife Margaret, who lived next door to the nursery and came to work there. She lived the nearest but Alec says that she only managed to arrive on time by eating her Weetabix en route and leaving her dish in the hedge to be collected on the way home.

In the summer of 1960 his father told him that he really needed a trade. The local parks department in Hull were advertising for apprentices so he applied. He was successful and although the normal apprenticeship was five years, the 15 months he had already spent at the nursery was to count as a probationary period. On the 14th November 1960 he went to work at East Park as a fully-fledged member of the Hull Corporation Parks, Cemeteries and Allotments Department. He signed his indentures and promised to serve the Lord Mayor, Alderman and citizens of Hull. The journey to work involved a bus ride on the Connor and Graham bus which went down Hedon Road. These buses were based at Easington and

*Alec in his 20's*

were rivals to EYMS, cheaper but ancient and with no refinements such as heating or passenger doors. The bus stopped outside the Jail and he had to walk the rest of the way down Southcoates Lane. Work started at 7.30 am but on his first day he was there at 7.

The messroom was a fairly new brick building, but inside was something of a time-warp. Around the walls was an array of green and silver-painted park seats and an equally interesting selection of wooden kitchen tables and at one side was a cast-iron stove of gigantic proportions being lit by an elderly labourer who came in early every morning to open up and light the fire. A search for a suitable seat was in vain as the workers came in and seated themselves in time-honoured positions gained after several years' service. It soon became obvious that his position was to be near the door, draughty, with the added task of closing the door when it was left open.

The Foreman he reported to was named Mr T Baker an archetypal gardener with grey hair. His counterpart based at East Park was Mr D East and in his innocence Alec thought that the park had been named after him. Mr East was the District Foreman and covered the entire area east of the river Hull on his bicycle and supervised about 60 men. Both the men shared a 12ft x 8ft office and smoked pipes. A hatch in the wall served as a communications outlet which was just as well due to the smoke and the strong smell of tobacco.

Alec was allocated to the Rock Garden Team which consisted of a charge-hand, a labourer and an apprentice and even in the early 60's demarcation was still common as only gardeners were allowed to use a trowel, but a labourer could use a dibber.

The apprenticeship scheme was based around spending several months in each section. This made for a good grounding in practical skills. Also if you did not get on with the foreman a move was beneficial to all concerned.

The four parks were self-contained and grew all their own plants and the rivalry between them to produce the best display was intense. It also had the advantage that if a crop of wallflowers failed in one park, the others could rally round to make up the shortfall.

Most of the gardeners were very helpful to the up-and-coming apprentices. Many were self-taught or had been in private service at a stately home. Several had also attended that other University of Life, the armed forces and loyalty, discipline and tidiness were paramount in their approach to work. The various sections of the department tended to specialize so that gave the apprentice the chance to further his knowledge. In his final year as an apprentice he successfully applied for a full-time course in horticulture at Askam Bryan Nr York and so at 21 it was back to college.

## ***Cookery Corner ..... By Ann Coupe***

### **Tangy Lemon Mousse**

#### **Ingredients Serves 4**

½ packet of lemon jelly  
150g/5oz lemon or orange yogurt  
150g/5oz natural yogurt  
300ml/½ pint milk  
Glacé cherries and angelica leaves for decoration.

*The lemon jelly can be replaced by orange or strawberry and glacé cherries and angelica leaves by fresh fruit and mint or chocolate leaves*

#### **Method**

1. Cut the jelly into cubes and put in a bowl with four tablespoons of water.
2. Put the bowl over a pan of simmering water and heat, stirring occasionally until jelly has dissolved. Allow to cool without setting.
3. Whisk in the yogurts and milk until frothy. Pour into individual glasses or a serving dish. Leave to set.
4. Serve decorated with glacé cherries and angelica leaves

## ***Roos Women's Institute***

### **Meeting held on Wednesday 2nd July in the Memorial Institute, Roos at 7.30pm**

After the President Mrs H Boynton had welcomed members, the minutes were read and signed.

Reminders about Roos Show on the 5th July and Drifffield Show 16th July were given. It was noted that from the Newsletter it could be seen that there are many activities to take part in through visits and workshops.

Mrs M Stephenson gave her report on the recent National AGM in Liverpool and stated that she had thoroughly enjoyed the whole experience.

The winner of the quiz was Mrs A Nelthorpe. The answers were given by Mrs Lee.

Our speaker for the evening was Mrs Moira Richardson who, along with Kim and Amanda, gave a very good talk and presentation of their work with Riding for the Disabled in Burton Pidsea. Their enthusiasm shone through and resulted in a most pleasant and informative evening. The V.O.T. was given by Mrs A Dawson.

After refreshments were served the competitions were judged.

- Equine Memento - 1st Mrs S Tyson, • Flower of the Month - 1st Mrs S Simpson.

After the raffle was drawn Mrs Boynton closed the meeting.

The next meeting will be held on 6th August.

**New members are very welcome.**

## ***Alec's Patch ...* By Alec Dodson**

### **Propagation:**

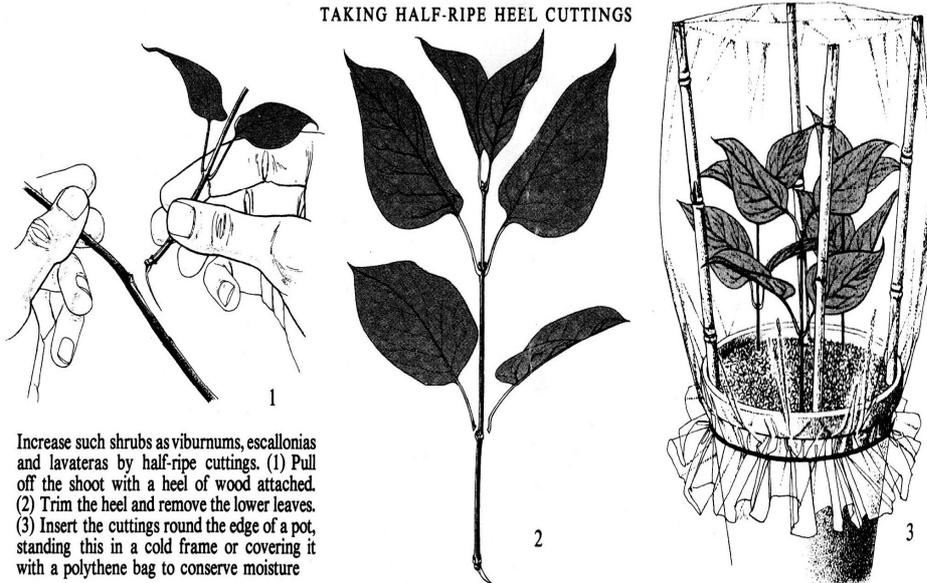

Midsummer is a good time to increase your shrubs by taking half-ripe cuttings. Choose a sturdy side shoot about 3" long, green at its tip and stiff at the base, with about 3 pairs of leaves. The cutting should be taken below a leaf joint where there is a store of food and the lower leaves removed.

The diagram shows heeled cuttings or as the old gardeners called them Irishman's cuttings. Dipping the base of the cutting into a rooting hormone can prevent rotting until roots are established, but is not essential. Use seed and cutting compost or make up a mixture of soil and sand.

Examples of shrubs that can be rooted this way are:-

Berberis	Buddleia	Ceanothus	Cistus	Cotoneaster	Cytisus
Euonymus	Hebe	Honeysuckle	Hydrangea	Potentilla	Santolina
Spiraea	Weigela				

TAKING HALF-RIPE HEEL CUTTINGS

Increase such shrubs as viburnums, escallonias and lavateras by half-ripe cuttings. (1) Pull off the shoot with a heel of wood attached. (2) Trim the heel and remove the lower leaves. (3) Insert the cuttings round the edge of a pot, standing this in a cold frame or covering it with a polythene bag to conserve moisture

**To ensure your item is printed in *The Rooster* we must receive it no later than the first few days of each month. The absolute deadline for items to be included in next month's issue is Friday 8th August but if you leave it until then you may be disappointed.**

## Roos Parish Council Meeting 14th July 2008

*All Councillors were present. Inc. Councillor Pickering and Officer Gerry Frisby.*

**The June minutes were approved. Extracts below.**

**The full minutes are posted in the parish notice boards.**

### **Proposed sale of land at Manor Farm Tunstall**

The Clerk reported that together with Councillor Grant he had met with the prospective purchasers and had informed them of the absolute title granted to the Council and that an approach had been made to an estate agent/ land valuer to ascertain the land value. The matter is ongoing and an update will be given at the next meeting.

### **Hodgson Lane**

The Chairman and Clerk had attended the ERYC Overview and Scrutiny Committee meeting on 4th July at which the petition had been heard and sympathetically received. An ERYC officer had now been assigned to draw up plans for its improvement

### **Parish Plan**

Tree-planting - The Chairman reported that a further meeting with Stephen Robinson of HEYwoods was soon to take place at which Michael Brown of ERYC Highways would attend to discuss planting on roadside verges.

### **Emergency Plan**

In View of Councillor Cracknell's absence it was agreed to leave any further discussions until the next meeting.

It was reported that the James Reckitt Charity had awarded a £500 grant towards the cost of implementing the plan and it was agreed that Mrs Earle be thanked for her efforts in securing the award.

### **Parish paths**

Councillors Coupe and Dodson reported on the various costings for producing the parish paths leaflet in both mono and colour and it was agreed that a sample copy be placed in the notice boards, that an article be placed in "The Rooster" and that a decision be made at the next meeting as to action to be taken.

### **Flooding and related matters.**

Storm overflow pipe at Cherry Hill Park, camera survey of potted section of Roos Beck and manhole inspection chamber. (*See front page*)

The Chairman reported on the recent meeting with the Environment Agency arising from the development at Roos Beck adjacent to 3 Beckside Manor at which the Agency reiterated that the works did not contravene the requirements of the Land Drainage Act for consent for specific works.

### **Proposed Tedder Hill Wind Farm**

The Conservation addendum which has now been provided by E.ON to ERYC was circulated for members' individual scrutiny. The Clerk had requested an extension of time from ERYC for consultation and this had been granted.

### **ERYC matters**

Receipt of a reply from ERYC was reported apologising for the lack of further consultation with the Council on winter gritting at Southfield Lane together with a response that the lane does not meet the necessary criteria but that consideration would be given to providing further salt boxes along the highway.

It was also reported that the damaged footpath at Hazledene, South End, Roos, had now been satisfactorily repaired.

### **East Riding Local Development Framework**

The Core Strategies and Options document received from ERYC was produced which had been completed by Councillors Coupe and Cracknell and subject to further additional comments and the Chairman reporting that an extension of time had been allowed by ERYC, it was agreed that when fully complete the document be sent back to ERYC for consideration.

### **Hilston Road, Roos and standing water at Southfield Lane, Tunstall**

Receipt of a reply from the Area Engineer of ERYC was reported which stated that the pipe near Glebe Farm would be inspected and jetted if necessary and that ways of alleviating the problem of standing water at Southfield Lane would be investigated.

### **Fly-tipping - Beechwood Views**

It was reported that ERYC had sent letters to residents of properties in Beechwood Views arising from the fly-tipping of garden waste previously reported reminding them of the consequences of their actions and also that an appropriate warning sign would be displayed advising the public that fly tipping is illegal.

### **Planning**

#### **Appeal**

*Erection of a 2kw wind turbine on a 9 metre tapered tower at Manor Cottage, Main Street, Tunstall.*

It was reported that an appeal had been made to the Planning Inspectorate following refusal of the above planning application.

#### **Applications**

*Erection of 1 no dwelling at land east of The Paddock, South End, Roos for Vidi Vici.*

A communication was reported from the agent of the above applicant requesting a meeting with the Council to discuss the proposed development of the above site. After discussion it was agreed to deny the request at this time as it was considered to be inappropriate in view of the above pending application and the awaited ERYC Flood Review Panel report and the consequences outlined in the Taylor report for the particular area.

*Proposed construction of the Humber Gateway Offshore Wind Farm 8km east of the Holderness Coast for E.ON.*

It was agreed after members had individually considered the above that in principle no objections be made to the above proposal.

**Any other Business**

**Garage at Lamb Lane over Roos Beck**

It was reported that enquiries were still ongoing as to the ownership of the above.

**Trees at Dove Lane and Rectory Road**

It was agreed to refer the above trees which require trimming back to ERYC at the forthcoming meeting with representatives to discuss tree-planting opportunities.

**Public Session**

Mrs D. Cook referred to Southfield Lane being a school bus route and she was advised that it was understood that the lane was not being used for this purpose at present. Mrs Cook also commented on the council's decision not to meet the agent in relation to proposed development at The Paddocks, South End, Roos.
