

# *The* Rooster

## ROOS CAR BOOT A GREAT SUCCESS

The car-boot sale held on the 5th September in the Roos Playing Field raised £407.16 to be divided equally between the cricket club and children's playground.

The weather was bright and sunny but with a cool wind.

There were more than twenty car booters and as can be seen from the pictures quite a few were local residents.

A big thank-you to Mrs Winter and Mrs Bramley who baked and sold cakes contributing £130.00 to the total above.

Also thank-you to Mrs Jayne Birkett of Tunstall for her help in the kitchen and to all who attended.

# **THE FRIENDS OF ROOS CHURCH PIPE ORGAN GRAND SUMMER DRAW**

***held at the Black Horse on Friday 10th September 2010***

We would like to thank everyone who helped with the draw, all the ticket sellers, everyone who generously bought tickets, all the people who kindly donated prizes and, of course, the Black Horse and Steph for allowing us to hold the draw there.

Special thanks go to John Baker for all his hard work.

The total amount raised towards the restoration of the organ was £1661.00 but we still need more.

## **LELLEY'S WELLIES!**

Team *No Fixed Agenda* from Agenda Security Services held a fantastic Lelley's Wellies family fun-day on Sunday 29<sup>th</sup> August, as part of the second task of this year's 'Who wants to be an entrepreneur', competition run by the Yorkshire and Humber Youth Enterprise organisation. A great day was had by all with a fantastic turn-out from Lelley and the surrounding area. The welly-wanging competition was a star attraction with some very competitive throws, the winning distance being a staggering 31.5 metres, thrown by Paul from Lelley village. The tombola also proved an overwhelming success raising £140 on its own. Over £600 was raised on the day with all proceeds going to the Youth Enterprise charity. A board meeting took place on Wednesday 8<sup>th</sup> September when the team found out if they had been successful in progressing through to the third and final round of the competition. To find out if the team made it check out the website at [www.no-fixed-agenda.moonfruit.com](http://www.no-fixed-agenda.moonfruit.com). Thanks to everyone that attended and helped with donations.

*Mathew Sanderson*

# HUMBERSIDE POLICE LIFESTYLERS

(Mini ninjas) Harrison & James

We would like to thank everyone who supported the cake stall and raffle on the 21<sup>st</sup> August. We sold every cake and bun and made £206.52 on the day. Altogether we made £475 for breast cancer and the Roos Children's Playground fund. Caroline Folkard won the raffle.

*N Matthews*

## RCPA

On behalf of the Children's Playground Association our grateful thanks go to the Mini Ninjas for their donation of £238.50. It is very much appreciated and will help to maintain the playground during 2011. Well done, Harrison and James.

## **Marrow Moussaka**

**Serves 4**

### **Ingredients**

25g/1oz butter

1 onion (chopped)

450g/1lb minced beef

40g/ 1½oz flour

150ml/ ¼pint beef stock

1 teaspoon tomato purée

Salt and pepper

Pinch of oregano

1 medium sized marrow

225g/8oz tomatoes (skinned and sliced)

300ml/ ½pint milk

175g/6oz Cheddar cheese (grated)

Grated nutmeg

Watercress for garnish

### **Method**

1. Melt 15g/½oz of butter in a saucepan, add the onion, fry for a few minutes without browning.
2. Add the minced beef, fry, stirring until brown.
3. Stir in 25g/1oz of flour, then the stock, tomato purée, seasoning and oregano. Simmer gently for fifteen minutes.
4. Skin the marrow, remove the seeds, and cut the flesh into cubes. Boil in salted water for about ten minutes or until just tender. Drain well.
5. Layer up the meat mixture, tomato slices, and marrow in 1.4 litre/2½ pint ovenproof dish, finishing with a marrow layer.
6. Put the remaining butter and flour into a saucepan with the milk. Heat, stirring continuously, until the mixture boils and thickens.
7. Add 100g/4oz of the cheese, and salt, pepper and nutmeg to taste. Pour over the marrow, sprinkle remaining cheese over the top.
8. Bake gas mark 6, 200°C/400°F, Fan 180°C for 30-40 minutes, or until bubbling and golden brown.
9. Garnish with watercress and tomato.

# Roos Women's Institute

Our President, Mrs Heather Boynton welcomed members and visitors to the September meeting and, following the Minutes of the last meeting, read out the Newsletter which contained interesting and informative topics. Details were given of the Autumn Walk – this year to be held at Hutton Cranswick on 2<sup>nd</sup> October- and also the Apple Fest which will be at Beverley on 3<sup>rd</sup> October.

Mrs Boynton referred to the forthcoming Annual General Meeting in November and appealed to members to consider offering to be committee members. Roos W.I. is in its 90<sup>th</sup> year and it is important to continue the strong membership and links with the area, especially as some local WIs have closed in recent years. Committee meetings are held monthly and new members would be most welcome.

Mrs Dot Walker spoke about the Bingo evenings which had been running for over four years and the money raised and given to local organisations was £3500. The bingo sessions were informal, social evenings and the prizes were usually meat/chocolates etc. However, in order to continue these evenings volunteer helpers were needed and anyone willing to help would be welcome. The next Bingo is 12<sup>th</sup> October.

Mrs Boynton then introduced Mrs Karen Richardson of Flinton. Karen has 25 years' experience as a beautician and spoke about skin care and the importance of protection from outside elements – sun, wind, etc. With the help of Mrs Sandra Crombie - a willing model - Karen demonstrated the use of a mini-micro machine which was used for muscle toning on the face and also showed the use of various skin products and other appliances. Mrs Dot Walker gave the vote of thanks.

The Competition for a beauty tip was won by (1) Mrs Sandra Kettle (2) Mrs Ann Robinson and 3) Mrs Carol Charlesworth. The Flower of the Month was a Gladioli won by (1) Mrs Barbara Travis (2) Mrs Jennifer Grant with Cosmos and (3) Mrs Joy Moate with Japanese Anemone.

**New members are invited to join and will be very welcome.**

# Tunstall News

On Saturday 14th August the Village Hall Group had what was probably its most successful Summer Fayre ever. The weather was good and the event was well supported by the village residents, those on holiday at Sand-Le-Mere, Roos residents and some people who turned up to support us who were on holiday in Withernsea. All the stalls did well and a pleasing £420 was made, which will go towards the maintenance and running of the village hall. The hall is an old World War II army hut and there are some major works we need to carry out, if possible before winter descends on us.

Our regular Wednesday get-together for afternoon tea on 25th August took the form of a midday barbeque, kindly provided by Chris and Stephen Midgeley in the garden of their 'Kings Arms' home in the village. The weather was excellent and a good time was had by all.

The Group have always enjoyed their outings to fish and chip restaurants in the area. On 6th September we decided to try something a little different. Acting on recommendation we decided to visit an Indian restaurant on the Holderness Road in Hull. Most of us had not visited such a restaurant before so it was a new experience. The food was excellent and we had the opportunity to try the various dishes on offer. This made a welcome change to the tradition of favouring fish and chips on our outings.

It is worthy of report that the build-up of sand on the beach at Sand-Le-Mere is still protecting the cliffs. At the moment the highest tides and roughest seas are barely touching the cliff base. Let's hope that the winter gales don't substantially change this situation.

*Dave Craggs*

# NEWS FROM ALL SAINTS' CHURCH

From: the Rev Pam Burdon.

The Vicarage, Main Road, Thorngumbald, HULL HU12 9NA

Tel: 01964 601464

email: [pam@tonyburdon.karoo.co.uk](mailto:pam@tonyburdon.karoo.co.uk)

Dear Rooster readers,

At All Saints', Roos, we have been thinking that we don't have as many families bringing their children or babies for baptism as happened in the past. For those who do come, this is a very special event indeed. It marks the beginning of a lifetime of faith or perhaps a milestone on that journey. Whether the one being baptised is a small baby or a child of school age or an older person, the blessing of God is a wonderful gift in that person's life. We would like to stay in touch as time goes by and will try to mark the baptism anniversary with a card from our church family. We would always be delighted to see you back in church. Perhaps you would like to come again around the anniversary and bring your child's candle to be lit again! Do be in touch with me if you would like to talk about this.

With good wishes.

Pam Burdon

## ***Alec's Patch ... By Alec Dodson***

September is the first of the autumn months. Therefore gardeners should check stakes and ties are secure. Wall shrubs and climbers are particularly at risk from gales especially if there is rain as well creating additional weight on the branches and leaves. If frost is forecast be prepared to move plants indoors or to the greenhouse.

A final trim of hedges will improve the appearance of the garden. Mid-September onwards is a good time to plant evergreen hedges as the soil is still warm and there is less risk of them drying out.

Remove summer bedding from baskets, tubs and borders, and replace with bulbs and winter subjects such as primulas and pansies, ericas and ornamental kale. Small evergreen shrubs can be planted to give height to the display.

## **Roos Parish Council Meeting 13th September 2010**

*Six Councillors were present together with ERYC's Karen Good and Ward Councillors Stead and Parsons also three RES representatives.*

*Apologies from A Dodson & D Craggs*

**The August minutes were approved. Summary below.**

### **Proposed allotments in the parish**

Mr Grantham had indicated that he did not wish to release land in his ownership on Kiln House Lane, Tunstall, near to its junction with Seaside Lane. The Clerk together with the Chairman had identified land which may be suitable for which ownership had not been established and advised the Council to consider an approach to the Land Registry to confirm ownership details for which there would be a fee. The Council gave approval.

### **Car parking on Main Street near the school**

A reply was received from the Headteacher of the school which stated that she had met with an engineer from ERYC to discuss congestion caused by vehicles parking outside the school but had misplaced her notes of the meeting and would respond further when she had located them.

### **Eastfield Estate**

The Clerk produced a policy document he had obtained from ERYC which gave details of allocation of council housing throughout the East Riding and it was agreed to circulate the document amongst members.

### **Litter bins**

The Chairman reported that the two new receptacles were now in place and that there would be an installation charge from ERYC of £91.30.

### **Parish path no. 5**

Cllr Dodson confirmed that he had attended to the above path alongside the post office and the Clerk confirmed that ERYC had now approved grant funding for maintenance of the parish paths for the current financial year in the sum of £931.20.

### **Speeding vehicles in Main Street**

Concern was still expressed that vehicles were ignoring the 30mph speed limit highlighted by the recently installed signage and the Chairman confirmed that he would contact Terry Weaver of ERYC to explore further options to address the issue.

### **Flooding and related matters**

It was agreed that Cllrs Cracknell and Ward review the camera survey footage of the piped section of the beck through Mr Beal's land in Dove Lane to determine whether there were any defects in the system and report back their findings to the next meeting

The Clerk produced copies of proposed ERYC schemes to the north of Roos to help alleviate future flooding. Details were circulated amongst members.

It was reported that ERYC's contractors had now erected the new gates in Lamb Lane at the entrance to the piped section of the beck and it was agreed that the Chairman and Cllr Ward each hold a key for access to the area should the need arise.

Cllr Ward confirmed that he together with Mr Wray would attempt to remove the tree trunk alongside the beck in the near future.

## **Correspondence**

### **The late Cllr K Grant**

The Clerk read a letter from Mrs Grant thanking the Council for expressing its sincere condolence in the sad loss of her husband and the Chairman paid tribute for all the unstinting work that Cllr Grant had undertaken on behalf of the Council and the community over many years.

### **Tunstall coastal defence scheme**

The Clerk reported receipt of an invitation from the Environment Agency for members to attend a briefing on 16th August at 6.00pm in Roos Memorial Institute and the Chairman asked that as many members as possible attend the session.

### **Holderness streetscene pilot scheme**

The Chairman referred to the above scheme, details of which had been circulated with the agenda papers. He hoped the proposed action would further improve the general appearance of the parish.

### **Council vacancy**

The Clerk confirmed that appropriate notices had been placed in the notice boards announcing the casual vacancy and that ERYC had advised that an election had not been called and that the Council may now fill the vacancy by co-option.

## **Planning**

### **Applications**

*Erection of detached dwelling at land north of The Willows, South End, Roos*

It was agreed to recommend refusal of the above application on Conservation Area status and access grounds, impact on neighbouring properties and possible future flooding issues with the site's location near to Roos Beck.

*Erection of single-storey extension at rear at The Old School Cottage, Pilmar Lane*

It was agreed that no objections be made to the above proposal.

## **Decisions**

*Conversion of outbuildings to additional living space at The Laurels, Main Street, Roos*

It was reported that ERYC had approved the above application.

*Erection of entrance gates steel boundary fence alterations to existing vehicular access at Hilston Cottage, Tower Road, Hilston*

It was reported that ERYC had approved the above application.

### **Appeal decision**

*Owstwick Grange Cottage, Fitling Road, Owstwick*

Notification was received from ERYC that the Planning Inspectorate had allowed the appeal into ERYC's refusal to discharge a planning obligation.

### **Application withdrawal**

*Variation of condition 2 at Church Farm Riding School Tower Road Hilston*

It was reported that the above application had been withdrawn.

### **Treasurer's report**

The Treasurer sought and received approval for payment of the following accounts:-

Parish Clerk (B Lee) – salary for three months - £775.00

Memorial Institute – use of hall - £30.00

Audit Commission – annual audit fee - £158.63

Avondale Landscapes – maintenance works on parish paths - £297.00

### **Any other business**

#### **ERYC Taskforce visit**

Members were reminded that the “walkabout” to highlight areas requiring attention by ERYC was taking place on the 17<sup>th</sup> August meeting up initially at the Memorial Institute at 10.30am with the actual works due to commence on 20<sup>th</sup> September.

#### **Roos playing field**

It was reported that two children had sustained injuries in the toddlers' play area and it was further reported that the incident would be discussed at the next Playing Field Association meeting.

#### **Fly tipping at Tunstall Cliff top**

It was reported that rubbish had been dumped at the above location and it was agreed to make ERYC aware of the situation.

#### **Parish paths issue**

It was agreed to enquire of Burton Pidsea Parish Council if that authority had agreed to support the application for the reinstatement of a parish path leading towards and linking up with Burton Pidsea footpath no. 8.

#### **Wind Farm development - land west of Ivy House Rectory Road Roos**

The Chairman reported that the developers of the above project which had recently been granted planning permission on appeal had expressed an interest in attending the next meeting to discuss their proposals for the site in more detail and it was agreed to accede to the request.

#### **Public session**

A member of the public enquired of the present situation with regard to proposed affordable housing in Roos and was advised that the Humber & Wolds Community Association had not pursued the matter further following the 2007 flooding of the village.

**Next Parish Council Meeting Monday 11th Oct.  
at 7.30 pm in Roos Memorial Institute.**
