

The Rooster

NEWSLETTER FOR THE PARISH OF ROOS
July 2022

EDITORIAL

Jubilations! Welcome to the special Jubilee edition of the Rooster. We hope you enjoy the photos of the events that happened in Tunstall and Roos over the 4-day celebrations. Can you spot yourself in any of the photos?

It is events such as the Jubilee that bring this wonderful village community together, and I am looking forward to the next big event, the Roos Summer Show on 9th July on the Playing Field.

Sue and I would like to thank everyone involved in the Jubilee celebrations for their hard work and enthusiasm to make all the events a success, and thanks to all who sent in their pictures of the days.

Drop us an email on roosternews22@gmail.com with any comments, news or information and articles with accompanying pictures are also welcome.

Sue & Caroline

ROOS PARISH COUNCIL

We would like to give thanks to Gavin Massey and the Jubilee committee for their outstanding efforts in producing 4 wonderful days of Platinum Jubilee celebrations. We are sure everyone who attended the various events enjoyed them.

David Winter, Chairman, Roos Parish Council

Details of draft minutes from Parish Council meetings are available on RoosParish.info

IMPORTANT INFORMATION ABOUT YOUR CHURCH IN ROOS

All Saints' Church, Roos - your village church, as with many other churches throughout Yorkshire is going to be a little different soon. At present Roos is without a priest. We rely on the services of our Rural Dean who looks after all the churches in South Holderness.

Salaries for clergy are administered from York but rely upon funding from the parishes (collections and gifts). South Holderness including Roos, has for a long time relied on financial support to "pay its way" from York Diocese.

The Church of England has very minimal reserves which will be exhausted within a few years. As a consequence, a major reorganisation is under way.

Basically, there is insufficient funding available to cover the employment of clergy. It is expected that in the very near future, Benefices (groups of parish churches), will have to find their own funding to pay for clergy as well as to maintain their churches and graveyards. In an attempt to devise a way forward, our South Holderness Deanery Team has proposed three options.

1. **Two benefices - Withernsea 1 full time clergy. All the other 22 churches (including Roos) - 2 full time clergy plus 2 part-time clergy**
2. **Three benefices - Withernsea, 1 full time clergy. Hedon with possibly Preston, 1 full time clergy. All other churches (including Roos), 1 full time clergy with 2 part-time clergy**
3. **Three benefices - As with option 2 but dividing the rural churches into distinct groups and assigning clergy to them. This is the least favoured option owing to decreased flexibility.**

As a matter of urgency, Roos Parochial Church Council (PCC) need to feed back our views for a review in July.

It must be emphasised that the future of our church does depend upon financial and practical support from within our community. Many churches are being closed at the moment and we do not wish this to happen to Roos. The current situation is not an option.

Comments or suggestions are needed before 7th July to be fed back to the Diocese. Contact Helen Audley (01964 670895), Brian Rannard, any other church member or message us via our Facebook page, All Saints' Church Roos.

This map simply illustrates possibilities, others could be drawn, but hopefully it is some help in picturing our situation.

'PT' = 'part-time' – includes any clergy post that is not full-time paid.

ROOS & DISTRICT HORTICULTURAL SOCIETY 80TH ANNUAL SHOW -
9TH JULY, ROOS PLAYING FIELD - 103+ CLASSES TO ENTER!

A fabulous traditional event for all the family

HELP NEEDED

We are looking for people who can help to prepare for the show or on the show day with the following jobs:

- Help put up the marquees on Thursday 7th July
- Help set up the tables and showground on Friday 8th July, from 9.30am
- Help people stage their exhibits on 9th July 9.30 - 11.30am
- Help steward classes on 9th July 11.30am - 2.30pm
- Help clear up when the show has finished

LOVE YOUR DOGS
BUT LOVE YOUR
VILLAGE TOO...
PLEASE!

We have heard recent disturbing reports that dog waste has been thrown into the school playground. This is simply unacceptable.

We're watching out for you... please pick up and dispose responsibly.

ROOSTER DONATIONS - HOW TO GIVE

IN THE BANK

The Rooster Association
Sort code 30 94 44
A/C no. 41840468

Add 'Anon' as reference if you don't want us to publish your name

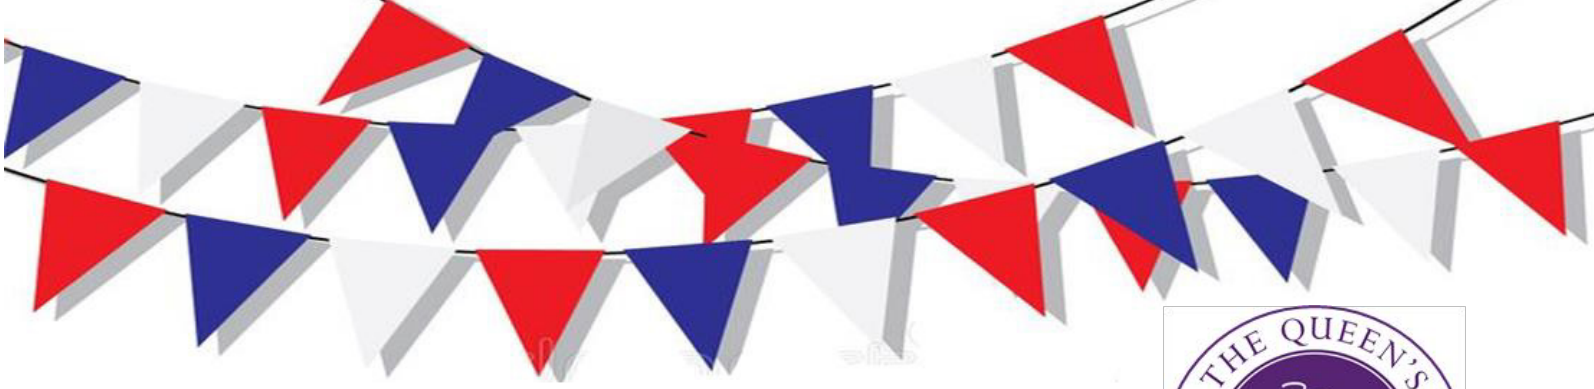

During the last month, we are grateful to have received the following donations, thank you all!

- Anon £33
- Mr & Mrs W Bell £20

IN THE BOX AT THE
POST OFFICE

- K Moate & J Moate £10
- R Smales & Son £50

LIGHTING OF THE BEACON & BONFIRE

Roos Parish joined the rest of the nation in lighting a celebratory beacon as well as a bonfire in the grounds of Grange Farm at Tunstall on Thursday 2nd June.

Beacons were lit across the UK on Thursday night and we were so pleased to be able to participate in this ceremony. It was a flaming success and refreshments of hot chocolate, parkin and cookies were enjoyed by all. It started with a proclamation heralding the beacon

lighting followed by a recording of the tune, Diu Regnare, which is Latin for 'Long to Reign', pipe music specially written for the Jubilee.

Thanks to everyone who came along and thanks also to the Withernsea Fire Brigade who were standing by to ensure the safety of all involved. Special thanks to all those involved in the preparation of the site and organisation of the event.

JUBILEE TEA ROOMS AT TUNSTALL VILLAGE HALL

Tunstall Village Hall was turned into the 'Jubilee Tea Rooms' for the afternoon of Sunday 4th June. The Village Hall went through a four week transformation and a huge thanks to the small team of volunteers who cleaned, painted and revamped the much loved hall and community gardens and also thanks to those who attended.

Strewn with bunting, the 'tea room team' served a delicious afternoon tea of sandwiches, savouries, strawberry cream scones and a selection of cakes.

It was a lovely occasion as it was the first major event held in the Hall since the outbreak of Covid. A chance for all the village to meet, chat and just relax and enjoy the afternoon, which they did in style!

CELEBRATING THE PLATINUM JUBILEE AT ROOS SCHOOL

The children at Roos Primary School have thoroughly enjoyed celebrating Her Majesty's Platinum Jubilee. On Friday 27th May, HM Lord Lieutenant of the East Riding of Yorkshire, visited school to present Rosie Jackson with an award during our collective worship.

All children in the East Riding were invited to design a card and the winning card would be sent to the Queen. Rosie won this competition and her card has been sent to the Queen from the East Riding of Yorkshire to congratulate her.

A VILLAGE FIT FOR A QUEEN!

After this, the staff and children at school celebrated the platinum jubilee with a street party on the field. All of the children had a party lunch and sang songs. After lunch the children took part in party games such as musical chairs, sack race, tug of war and scavenger hunt. Great fun was had by all!

We would also like to thank Roos Parish Council for their generosity in providing all the children with a Platinum Jubilee Mug for them to cherish.

CELEBRATIONS IN AND AROUND THE CHURCH AND VILLAGE

There were 3 events on the Thursday of the Jubilee celebrations organised by Helen Audley, Joy Moate and Gerard Baker.

- 1. A history walk around the village starting from the church. There were in excess of 22 different shops around this vibrant village back in 1952. Not all were open every day but this reflects the commercial history of the village
- 2. An exhibition of photos of Roos and its residents dating back to the time of the coronation.
- 3. A demonstration of tune ringing on handbells - the piece de resistance being 'Rule Britannia'!

For the Queen's Platinum Jubilee

Broadcast on BBC Radio Humberside and BBC Look North

ROOS YOUNG BELL RINGERS ON THE BBC FOR THE JUBILEE

The young ringers from Roos attracted the attention of the BBC when they rang to commemorate the Jubilee on Friday 3rd June. Look North came to film them and there were two good slots televised on the day. Amanda White from Radio Humberside was also in attendance.

Here is a link to the Radio Humberside slot which was broadcast live if you'd like to have a listen www.bbc.co.uk/sounds/play/p0cbps0b

Roos bells were ringing out along with bells across the nation to coincide with the service of thanksgiving taking place at St Paul's Cathedral. It was very special for our young ringers to take part in something so memorable. Attached is a photo of the young ringers who took part.

Tyler Moverley (10), Jenson Newton (9) Samuel Parvin (14) Joseph Parvin (12) Emily Craig (13) Jayden Newton (12) I'm standing behind Tyler

None of this would be possible without the support of the adult experienced ringers. Church bells traditionally ring out for royal occasions. Here at Roos we make a determined effort to recruit and teach young people so that the skill is handed down to future generations.

JUBILEE CELEBRATIONS ON THE PLAYING FIELD

Around 400 people turned out with fantastic community spirit for the Roos Beer Festival on Saturday and consumed most of the 11 beers and 4 ciders on offer as well as a delicious BBQ.

Entertainment was provided by James Wood, the B B Babes and Stealer. The latter did a full two hour stint between 8 & 10pm and only stopped when the lead guitarist couldn't play any more because his fingers were too cold.

Friends of Roos School (FORS) were kept busy all day with the BBQ which should have significantly boosted their funds to help the school.

Thanks go to the volunteers for erecting and dismantling the marquees, the numerous bar staff and Bob Keelty, for making the bars

- without all of them none of these functions could take place.

Although the Beer Festival was set up as a non profit making event there was a profit of a few hundred pounds and this will be put towards repairing and refurbishing the playground area as well as looking into installing a CCTV system.

Sunday saw the Picnic in the Park with an indoor bouncy castle, face painting and entertainment by the Pub Lads and Coleen's Fancy. There was a busy free BBQ, manned by the FORS team and most of the drinks left from the Beer Festival were sold.

The children paraded with their crowns and all who took part received a gift, this will be a lovely memory they will have for a very long time.

DOVE HOUSE HOSPICE CHARITY CYCLE RIDE

Three local ladies Angie Maltas, Tina Danby and Rosie Rowbottom were part of a group of 10 who completed the cycle ride from Hull to Paris. Seriously impressive stats of 314 miles ridden, 7,900 feet climbed and sitting in the saddle for over 30 hours.

As a group they raised an incredible £37,000 for Dove House Hospice and are immensely proud of what they have achieved.

It was a significant adventure, travelling with people who hardly knew each other, getting to know, respect, be humbled by their stories, growing to love and call them friends. Their experiences ranged from those who work, have worked at Dove House or have been touched by the care given

by Dove House. They shared days where the effort required caused pain and tears, falls that drew blood or pain but none gave in, everyone reached Paris.

Day 1 Rotterdam to Bruges - wonderful, warm with beautiful views, smooth roads and lots of fun.

Day 2 Bruges to Arras - was hard! Strong head winds, long, straight boring roads and alongside railway lines with little to see.

Day 3 Arras to Beauvais - the hardest, longest and hilliest but the most beautiful countryside.

Day 4 Beauvais to Paris - euphoric, scary and chaotic. Thanks go to family, colleagues and friends who supported both them and Dove House Hospice.

EVENTS DIARY

Fri 8 July	Mobile Library - book bus visit 1.30pm
Sat 9 July	Roos Show, Roos Playing Fields, 1.30pm - see schedule page 2 for full details of timings and class categories
