## **The Rooster Association Annual General Meeting 2010**

**Thursday 25<sup>th</sup> February : 7.30 pm in The Black Horse**

All donors to *The Rooster* are eligible to attend and are cordially invited to do so.

The Committee invites especially those for whom it is important to publicise events and issues affecting our community. These include parish councillors, members of local groups and advertisers as well as active supporters of the newsletter who help by submitting items and delivering copies.

Before the AGM proper there will be an informal discussion of the role of *The Rooster* and the way in which it may serve the community better, whether in content, presentation or delivery. Individual opinions will be most welcome.

Light refreshments will then be available, funded by income from paid advertisements.

Finally, there will be the AGM proper, including reports by the Chairman and Treasurer. There will be elections for the posts of Chairman, Vice-Chairman, Treasurer and Secretary and for other places on the Committee. We hope that more residents will be willing to stand for election - but no one will be pressured to stand.

*The Rooster* is run by volunteers who need feedback and support. We look forward to seeing you at the AGM.

*Leslie Helliwell (Secretary)*

### Circulation

*The Rooster* is supplied to 540 addresses, including some outside the parish. It is funded entirely by voluntary donations from its readers and local institutions. Local groups are offered free publicity for their forthcoming events. Businesses and individuals who advertise their services are charged a small fee.

In 2009 132 households (24.5%) donated £923.00, an average of £6.99p per household. An extraordinary donation of £100.00 was received from the Friends of the WI Business advertisements contributed £504.94

### Expenditure

Printing remains our main expenditure and this year it accounted for 79% of our budget, but since purchasing the laser printer and keeping the printing in house, we have achieved a saving over the 2008 expenses of £300.00. Whilst we are pleased with this saving we must bear in mind that the printer has been used for 30 months, the model of printer we are using has become obsolete and we are now having difficulty in finding toner cartridges. We also pay more and more as supplies dry up. We are very grateful for the time given free of charge by volunteers who deliver *The Rooster* and by the committee members. Expenses are kept to a minimum.

The bank account for *The Rooster* is still held at Lloyds TSB and a balance of £1848.68p was held in credit at the 31<sup>st</sup> of December 2009.

### Rooster Donations 2010

There is a donation slip with this issue of *The Rooster*.

# Tunstall News

Over the last eight months developments at Sand-Le-Mere have rapidly progressed as the 'roll back' of the Park takes place. Twenty chalet pitches, along with their utilities, have already been laid down, including a new electric substation. The road network is taking shape and overhead power lines are being replaced by underground cables that will allow the new fishing lakes to be dug out. Plans will soon be lodged with ERYCC for the Park's new facilities and once planning permission is granted contractors will be able to commence the work. There must come a time very soon when, due to coastal erosion, Seaside Lane will be closed. Access to the Park will then be through the new road leading off Southfield Lane. Plans are already afoot to move the Park's general office to a new site a hundred yards east of the original farm buildings. Southfield Lane now has the most substantial passing points in the whole of the East Riding, financed by the Park owner, in preparation for its increased use when Seaside Lane is eventually closed. But Southfield Lane itself, which is also a school bus route, is in an appalling state and deteriorating almost daily. In the interests of all who use the Lane it is hoped that the Council will give it a high priority in its future highways programme.

To those who like a good read, a reminder that a mobile library comes into Tunstall every fortnight. It parks on Main Street, just above the road junction. For your first visit you need some form of identification. Its next visit is on Tuesday 16th February, 2.20 - 2.40pm.

## **Pancake Day - Shrove Tuesday 16th Feb 2010** **St. Clement's Layer**

**Serves 4 - 6**

### **Ingredients**

1 teaspoon almond essence	50g/2oz flaked almonds
300ml/½ pint pancake batter mix	½ teaspoon vanilla essence
Butter for frying	2 tablespoons honey
225g/8oz cream cheese	2 tablespoons lemon juice
225g/8oz cottage cheese	2 large oranges (peeled and sliced)
	15g/½ oz flaked almonds (toasted)

### **Method**

1. Whisk the almond essence into the batter. Use to make 8-10 medium sized pancakes.
2. Mix together the cream cheese, cottage cheese, almonds and vanilla essence. In a pan, warm the honey and lemon juice and mix thoroughly.
3. Brush a pancake with the honey and lemon mixture. Spread a little of the cheese and almond mixture over. Repeat for four more pancakes layering each one on top.
4. Lay half the orange slices over the top layer. Then place a pancake on top and repeat step 3 for the remaining pancakes, finishing with just a pancake. Reserve a little of the honey mixture for decoration.
5. Cover with foil and bake in oven mark 4, 180°C/350°F, Fan 160 for about 15 minutes or until heated through.
6. Just before serving, brush top with reserved honey and lemon, Arrange remaining orange slices and the toasted almonds on top.

My diary is open for bookings for weddings, dinner parties and teaching for the remainder of 2010, so please don't hesitate to get in touch if you would like to discuss your plans. All menus are bespoke and are created using the best local, seasonal food.

**TEACHING FROM £50 PER PERSON PER DAY, PARTIES FROM £20/HEAD.**

**The absolute deadline for items to be included in**  
**next month's issue is Friday 5th March**

# NEWS FROM ALL SAINTS' CHURCH

From: the Rev Pam Burdon.

The Vicarage, Main Road, Thorngumbald, HULL HU12 9NA

Tel: 01964 601464 email: [pam@tonyburdon.karoo.co.uk](mailto:pam@tonyburdon.karoo.co.uk)

Dear Rooster readers,

January was certainly a very snowy month! So was the end of December. We were so sorry to cancel our Carol service! Thanks to all of you who braved it out to Christingle on Christmas Eve.

February brings a different focus....The 14<sup>th</sup> is Valentine's Day, the day when birds are said to choose a mate! I'm told there is not one church in England dedicated to St. Valentine...but it's a day we like to remember! There were actually two saints' named Valentine; neither seems to have any connection to courting couples! Both lived very early in the Christian era and both were martyred for their faith. May our love for one another and for God be as strong and constant!

February 17<sup>th</sup> sees the beginning of Lent, the beginning of our Easter preparations.

With good wishes to you all,  
Pam Burdon

## THE CHILDREN'S SOCIETY

We would like to thank everyone who made a donation to The Children's Society at the Christingle Service. The amount raised was £194.77

*Sandra Crombie*

**DAY OR NIGHT      A TRADITION OF TRUST**

## ***Alec's Patch ... By Alec Dodson***

### **Helleborus:**

As the current winter continues, there is evidence of plants gradually becoming active. Snowdrops are already in flower and that other early flowering plant the Helleborus will soon be making an appearance. These hardy perennials are becoming more popular. Their wide range of colours and often handsome leaves make them a welcome addition, particularly in the smaller garden.

Natives of Western Asia and Southern Europe, they flower from January until April. They thrive best in a well- drained rich soil and partial shade is preferable to full sun.

Once established they are best left undisturbed but can be moved in October/November or in March providing there is plenty of soil around the roots.

Most commonly grown are:-

- Christmas rose, *Helleborus niger* - flowers in winter.
- Lenten Rose, *Helliborus orientalis* - flowers February to May.

Propagation is by division of roots in Spring after flowering, and also by seed. In fact the tendency to self sow around parent plants has given rise to many other colours and leaf variations in recent years.

## **Roos Women's Institute**

Roos WI meeting held on Wednesday 3rd February in the Memorial Institute, Roos at 7.30 p.m.

The Vice-President Mrs H Smith welcomed members to the first meeting of 2010 and introduced the speaker for the evening, Mr M Jessop, who gave a very interesting talk on extreme weather. The vote of thanks was given by Mrs M Pittock.

After refreshments Mrs Smith read the minutes of the December meeting and items from the newsletter.

As last month's pie-and-pea supper and quiz had to be cancelled because of the weather it was agreed that last year's quiz team would again take on the challenge at the Federation Quiz later in the year.

A card was read out from President, Mrs H Boynton, who thanked everyone for their kindness during her illness. She is now on the road to recovery and everyone wished her well.

The winner of the December quiz was Mrs Win Bramley. There would be no quiz at future meetings. Mrs Smith thanked Mrs Lee for distributing the quiz and Mr & Mrs Coyne who had compiled it for a number of years.

The competition for a photo of the North Sea was won by Mrs A Robinson. Flower of the month was won by Mrs H Smith. After the raffle was drawn Mrs Smith closed the meeting.

**New members are very welcome**

## **Roos Parish Council Meeting 8th February 2010**

***Councillor Cracknell did not attend.***

**The January minutes were approved. Summary below.**

### **Proposed allotments in Roos**

The nine landlords approached had now indicated that they had no land available. Consideration to be given at the next meeting with a view to possibly seeking the assistance of ERYC in acquiring suitable land by compulsory purchase. Mr Kerr-Delworth thanked the Council for its efforts.

### **Safe routes to school programme**

ERYC is still pursuing the joint developers of Greenacre Park to secure the satisfactory completion of the highway.

### **Road Bollards**

Councillor Grant and the Clerk reported on their recent site meeting with the Area Engineer of ERYC who had agreed to improve the carriageway width at Rectory Road in the current financial year, to hopefully prevent further damage to the remaining bollards.

### **ERYC Chairman's award.**

It was agreed to nominate the Roos Parish Emergency Plan team under the Chairmanship of Councillor Cracknell for the community award.

### **Flooding and related matters**

ERYC has agreed to provide a suitable locking gate at the access to the grille on the beck north of Lamb Lane in the next financial year now that the area has been cleared. Councillor Grant confirmed that grading, levelling, tree-stump uprooting and seeding would cost in the region of £750.00 to complete the work. It was agreed that the Parish Council fund this work.

### **Planning**

#### **Applications**

*Discharge of section 106 legal agreement from application relating to occupancy at Owstwick Grange Cottage, Fitting Road, Owstwick.*

Lengthy discussions ensued and it was agreed after a vote to recommend refusal.

#### **Decisions**

It was reported that ERYC had refused the following applications:-

*Erection of entrance gates, steel boundary fence and alterations to existing vehicular access at Hilston Cottage, Tower Road, Hilston.*

*Proposed Monkwith wind farm.*

Councillor Cracknell reported that the above application previously refused by ERYC was to be reconsidered on a technicality at a Planning Committee meeting to be held on the 14th January. It was agreed to ask the case officer to resubmit the Council's original objections to the proposal.

### Parish Plan

The Chairman reported that the ongoing tree-planting scheme included for twenty trees to be planted at Tower Road, Hilston and five at Rostun Road, Roos.

### Treasurer's Report

Approval was given for payment of the following account:-

Mr B Lee - Clerk's salary for three months - £675.00

Receipt of wayleave payment of £27.68 from YEDL was noted.

It was also confirmed that the Clerk's salary had been increased with effect from 1st January 2010 to £3100.00 per annum to include expenses.

### Any other business

Reference was made to the need for salt bins at Beechwood Views, Eastfield Estate and at Tunstall in the vicinity of the church and an extra one on Southfield Lane. The matter of extra bins had already been raised with ERYC.

### Bus service 313 Roos to Withernsea School

Correspondence between Mrs Spikings and ERYC in relation to her request for the possible re-routing of the above particularly during bad weather was brought to the Council's attention and it was agreed to contact ERYC in support of Mrs Spikings to ask for reconsideration to the decision not to change the service route.

**Next Parish Council Meeting Monday 8th March 2010  
at 7.30 pm in Roos Memorial Institute.**

**All welcome**

---

### FUNDRAISING FOR HAITI

We are all aware of the terrible events that took place last month in Haiti. It is widely acknowledged that the country will be in need of sustained long-term help. With that in mind there will be a fundraising event at the Memorial Institute in Roos on 20<sup>th</sup> February.

Everyone's favourite stalls will be there: cake stall, bric-a-brac, bookstall and tombola. There will also be a chance to give a home to a beautiful teddy bear. Tickets will be available on the day for the raffle, prizes for which include a print of The Humber Bridge, a fruit basket and an M & S voucher. Refreshments will be on sale and seating provided so that you can sit down to enjoy your cuppa and catch up with other villagers who attend.

**Doors open at 10 am and close at noon, entrance is free.**

**If anyone would like to donate baking, tombola or raffle prizes, please call either Lesley (670773) or Sally (670012) before 18<sup>th</sup> of the month.**
