Rooster Editorial

This month saw the Magna Carta celebrations which were a great success with many people spending a lot of time & effort to make the weekend a memorable experience.

Also this month the graphic designer for the Rooster has said that he no longer wishes to be a part of the publication. Therefore, if there is anyone out there who wishes to help us with the designing of the Rooster's future editions we would love to hear from you. In the meantime we will endeavour to continue as normal

The extraordinary general meeting of the new Rooster will take place on Wednesday 22nd July 2015, 7.30pm at the Black Horse, Roos to enable us to ratify our constitution and apply for the old Rooster funds held by the Parish Council at present

As always please send in your articles and notices as quick as you can and don't forget the Facebook page.

Roos Pipe Organ Restoration Project.

Get Involved

We are hoping as many members of the community as possible will get involved in the project to restore the pipe organ at All saints Church.

This historic instrument is part of our village heritage and there is the opportunity for volunteers to make a valuable contribution.

Anyone who is interested in what heritage conservation and restoration entails will be welcome to come to the church during the week beginning July 13th when the organ builders will be dismantling the organ in preparation for transportation to their workshop in Harrogate.

We will be keeping the church open as much as possible over the coming weeks to enable visitors to read the display boards and find out what is going on.

Volunteers are needed to act as stewards while the church is open and to answer questions. If you are interested and have some time to spare then please contact Helen Audley on 670895 for more details.

We are pleased to acknowledge the support of The Heritage Lottery Fund.

Scarecrow Trail

The F.O.R.S scarecrow trail in association with All Saints Church was lots of fun with over 50 teams completing the trail.

The Institute was busy for the duration of the trail with people enjoying the BBQ, cakes, refreshments and tombola.

The winning scarecrow was made by the Pinder's and featured a fire breathing dragon.

The prize draw was won by Liz Baldwin, who very generously donated the hamper back to F.O.R.S and it will be in the raffle at the upcoming Summer Fayre

A big thank you from everyone at All Saints church to all those who worked so hard to make the Magna Carta 800 weekend so memorable.

It was a real community event which involved many people. The work done by the children of Roos school was so imaginative and of such a high standard, it looked wonderful on display both at the church and in the Institute and we very much appreciate the time and trouble taken by the staff and children. Special thanks must also go to FORS for organising the scarecrow trail and the WI for serving refreshments at the Institute. The historical artefacts provided by Holly Devanney, Cherie Blenkin and Will Ainley and Graham Edwards attracted a lot of interest. Its just a shame the weather was not more accommodating.

Speeding traffic - Rectory Road.

It was believed that this would not be a policing matter, but one for the ERYC to consider. If they deemed it appropriate, a speed measuring system could be placed across the highway to establish the extent of the issue. It was noted that this was an issue of concern at other locations in and around the village.

Planning Applications:

- Erection of two storey extension to existing outbuildings at The Chestnuts Rectory Road Roos 15/01412/PLF. It was noted that the ERYC had received some letters of concern from local residents. It was agreed to request the ERYC to take these concerns into account and in the event of planning approval being granted to consider attaching appropriate Conditions.
- Continued use of land and buildings as livery stables for the keeping and grazing of horses at Willow Toft Farm Owstwick Road Danthorpe – 15/01469/PLF No objection
- Erection of detached garage at Mayfield Farm Tower Road Hilston -15/01547/PLF No objection.

The Council received notification that the Planning Application for the erection of 4 dwellings at The Paddock, South End, Roos had been withdrawn.

Casual Vacancies. It was agreed to extend the period for receipt of expressions of interest.

Reminder. The Annual Parish Assembly will be held on 10th August prior to the usual parish council meeting.

Members of the public are warmly invited to attend.
