## Rooster Editorial

This month I have to start by saying how well attended the Roos Spring show was this year. With its move to the Playing Fields pavilion giving more space it was an even greater success. Credit must go to the small dedicated team who work so hard to put these events on each year. Don't forget the Roos summer show on the 15<sup>th</sup> July and start planning your entries as soon as possible. If you can be available to help with any setting up, on the Friday before, your help would be greatly appreciated.

The Rooster does try to publicise all the local events but sometimes we are not given the information until after our deadline day, which is the 20<sup>th</sup> of each month in which case we add them to the Rooster Facebook page.

Finally we are proposing to do an occasional local advertising supplement to raise a little cash to finance the Roosters publication. If you wish to advertise in it please get in touch and we will give you further details.

### Rooster Association DONATIONS

The Rooster Association depends upon voluntary contributions to ensure continued publication of the Rooster. If you wish to contribute then please leave your donations in a sealed envelope in the Rooster box at the Roos Store/Post Office, enclosing your name, contact details & amount. All donations will be strictly confidential. Please make cheques payable to The Rooster Association. All contributions will be acknowledged in The Rooster unless you request to remain anonymous.

**We are pleased to acknowledge the kind donations, during April, from:**

**J. Grant**

**Anon x 1**

**Roos WI** - At our April meeting our speakers for the evening were Clive and Kath Richardson who brought a vast selection of small antique objects and in teams we had to guess the use of these mostly strange items. There followed reminders of forthcoming events – the federation spring meeting April 22nd at Beverley, a fashion show May 5th held in conjunction with FORS at Roos school £5 to include a glass of wine, a concert in Burton Pidsea church by the WI choir "Eastern Lights" on the 12th May £5, and the South Holderness Group rally on 24th May.

There are also plenty of other activities (e.g. otter watch, archery, walks, hanging baskets) on offer as well as a monthly book club and craft club. Roos WI always welcomes new members so ladies why not give it a try? Our next meeting on the 3rd May 7.30pm in the Memorial Institute will be an open meeting (open to all, including men) when our speaker will be Paul Schofield talking about the Hull Old Town. For more information please contact Dot (671250) or Joy (671321)

## Farmyard Bingo Roos

This months bingo was the ever popular naughty but nice chocolate bingo. It was a very busy night with 2 birthdays being celebrated Nicole 16 on the Tuesday and Rebecca 16+ a little later in the week. We had a full house but we can always get in a few more players.

The donation this month went to the church and will be put towards the new toilet facilities which are planned.

Dates for the next bingo are:

May 9th

June 13th

Admission £5.00

Raffle

Includes glass of wine/juice

Tickets available from W.I or F.O.R.S members & Roos Primary School (01964) 670535

## All Saints' Church Roos

### Make a Pom Pom. Make a Difference

### THE ALL SAINTS CATERPILLAR NEEDS YOUR HELP

We are hoping as many people as possible will help to make an exceedingly long pom pom caterpillar, initially to be as long as All Saints Church, but maybe to wrap around it? Jill Evison has had the idea to raise funds towards the installation of toilet facilities in the church and would like the whole community to get involved. Make a pom pom, donate £1 and your pom pom will be attached by Jill to the caterpillar. The round cardboard circles need to be 8cm in diameter – (draw around the top of a standard pint glass) and the inner circle is the size of a 2p coin. Any colour wool is fine. Alternatively you could buy a pom pom kit for £2. This includes instructions, the cardboard templates, some wool, and is inclusive of your donation. Finished pom poms and donations can be given to, or kits purchased from: Jill Evison, Helen Audley (670895), Jane Richardson, Tim and Kay Newton (671659) or Diane Lavender (671322). There will be regular updates on All Saints Roos Facebook page.

## CB3 BUS Service

We have analysed the usage of the CB3 over the Pilot Period of one year and have decided to revise the service it offers to Burton Pidsea and Roos. Whereas the Wednesday and Friday morning busses are well supported, neither of the afternoon busses are. Our decision is therefore to cancel both afternoon busses as we cannot justify the cost of continuing to run them, we will invest the savings made in lengthening the period of time over which current funding will support the service. It will take several weeks to get these changes approved so things will probably remain as they are until the beginning of June, the driver of the CB3 Derek will keep you informed, new timetables will be produced and announcements made in the news letter and notice boards. Please continue to use both the Wednesday and Friday busses to support and justify our work in raising sponsorship for the future running of the CB3 service. Burton Pidsea Better Transport Group

**Choir:** every Thursday  
**Camera Club:** 2<sup>nd</sup> & 3<sup>rd</sup> Wednesday

## Woodland Group Roos

This autumn will you have apples to spare? We'd like to collect them from you!

This autumn, we will gather apples from our own trees, and from anyone else in the village that has apples to spare. Last time we did this, over 2 tons of apples were gathered and pressed into 'Roos Juice', which was sold to raise money for our tree planting escapades. The apple juice is produced on a non-profit basis, as all time is donated and all profits go directly to tree planting and care.

If you would like to join our fruit pickers in October and November, then please let me know on the email below.

Anyone donating apples will receive 15% back in the form of pasteurized juice – the remainder will be turned into juice and cider and anyone helping us to pick will get a share of the juice produced.

We have plans for many more trees and hedges in years to come, and our orchard trees are going to play a big part in this. Walking north of the village towards Hilston, you will notice the group's orchard trees are full of blossom – a promising sign of a harvest to come.

You will notice that all of the trees now have printed labels giving the tree's variety, eating quality and when they will be ready to pick. Also, the Roos Parish Council's website carries a section in which you will find pictures of all the trees with even more information.

Cheers! Gerard Baker, email: [bakerg40@gmail.com](mailto:bakerg40@gmail.com), tel 07791519467

### Roos Parish Council Report: April 2017

*Parish Council Minutes are published in full on Parish Notice Boards and on the parish website – [roosparish.info](http://roosparish.info)*

#### Emergency Plan

Councillors approved the up-dated plan. Copies will now be distributed as appropriate and replace those in the Emergency Boxes.

#### Correspondence

##### Tedder Hill Wind Farm Tree Planting Fund

Confirmation was received from ERYC (HEYwoods) of the launch of the tree planting fund arising from the Tedder Hill Wind Farm development. The area of benefit is within the vicinity of the development.

It was agreed that Cllr. Dodson would represent the Council on the panel to be established to evaluate applications.

It was confirmed that Roos Woodland Group has been informed about this funding opportunity.

#### Traffic and Highways:

- It was noted that further speed camera surveys had been conducted on the B1242 – Pilmar Lane, the details of several drivers exceeding the speed limit were recorded. Those exceeding 35mph will receive a cautionary letter.
- Maintenance of the roadway south towards Dents Garth.  
A letter from the ERYC noted that "the Council (ERYC) is under no obligation to maintain the route to support any private vehicular use nor upgrade the route to an adoptable standard. Any improvement to support vehicular use would be done at private expense and would require the agreement of the highway authority to ensure public usage was not prohibited"

#### Councillor Vacancy

The Clerk reported that the ERYC had confirmed that the vacancy could now be filled by co-option. It was agreed to advertise and invite applications, which would thereby be considered by the council

#### Planning

The Council considered and recommended approval of the following:

- Fell sycamore tree as leaning over footpath and roots damaging wall at All Saint's Church, Rectory Road.  
Roos – Application ref: 17/00711/TC
- Change of use from dwelling to beauty salon business at 1 Main Street, Roos – Application Ref: 17/00688/PLF
- ERYC Decision – Fell sweet chestnut tree as bark reduced at ground level and with concerns of failure over road, also, fell 2 ash trees as large amount of dead growth in crown at Ivy House, Rectory Road, Roos.  
Approved.

#### Any other business

##### Tedder Hill Wind Farm Fund

Cllr. Ainley, reported that because of administration difficulties within the ERYC, the launch of the fund would be delayed.

**Date of next meeting:** Monday 8<sup>th</sup> May 2017 at 7.30pm
