## Rooster Editorial

It was with great sadness that we were informed of the death of Josie Curruthers on the 25<sup>th</sup> January, her funeral being held on the 20<sup>th</sup> February in Cottingham. She was a real character who I well remember quizzing me on where I lived, my family and background when I first moved to the village. Rest In Peace Josie. The family service at Roos church was well attended with some of the young Bell Ringers giving a demonstration of the art of bell ringing well supported by their mentor Helen Audley.

The date for the next Roos Beer festival has been decided, it will take place on Saturday 26<sup>th</sup> May at the Playing Fields Pavilion, and any offers of help would be greatly appreciated.

Don't forget the Roos Spring show on the 7<sup>th</sup> April; again, any offers of help would be welcome. I am sure the Village would like to extend a warm welcome to the new tenants of the Roos Arms Angela and Andrea, we wish them well for the future.

Excellent news from the Playing Fields Committee; we have been awarded the grant to improve the children's play area and work will start as soon as the weather improves. Help with the work will be much appreciated.

Finally, I know so many of you are really fed up with us continually going on about Dog fouling but until the people responsible for this shocking habit are either caught and shamed or change their ways I make no apology for including it again. Finally keep any articles or news coming in it is great to get a wide range of topics.

### Opening Hours

From w/c 12<sup>th</sup> February 2018 our Hodgson Lane surgery will be open on a Tuesday morning from 8.00am-1.00pm (Dispensary 9.00am-1.00pm). We will no longer be open on a Wednesday afternoon. The change to our opening hours ensures that we can more regularly have a GP available for routine and acute on the day appointments at our Roos branch, plus it will assist patients needing to collect medication following a bank holiday weekend.

### Clinic News

Tuesday mornings our Healthcare Assistant Evie will be holding clinics at Hodgson Lane Surgery. Evie is able to check blood pressure, give Flu vaccinations and B12 injections alongside other treatments. If you would like to book in to see her please call the surgery on 01964 613221.

You can find us at:

### Play area raffle

A massive belated vote of thanks goes to Steph at the Black Horse and Gill Evison for the raffle they organised for the benefit of the children's play area at Roos playing fields. They raised over £460 which will go to improving the facilities including a much needed refurb of the flooring and zip wire area. Thanks again to all involved the generosity of the village is just amazing!

### Past Roos Mums proposed catch up!

Hi to past Roos mums

If you had a child/children attending Roos Primary School between 1986 and 1996 would you be interested in a "reunion/catch up". If so please contact me on [tosh60@btinternet.com](mailto:tosh60@btinternet.com)

We hope that there will be enough of us to hold some form of a get together, with the date, venue and time to be finalised once we see the level of interest.

We will look forward to hearing from you and hopefully seeing you all soon.

### Roos & District Horticultural Society

The Spring show is on April 7<sup>th</sup> and the Summer show on July 14<sup>th</sup> on Roos Playing Field.

We need help and volunteers from the village and surrounding areas to support the show committee put on these long standing village events which everyone enjoys.

The show is now in desperate need for more gentlemen to either offer to help or join the committee as erecting the marquees are very demanding and hard work for the current committee members.

If we are unable to source any help with firm commitment by the end of March **the Summer show will unfortunately not be able to go ahead.**

For further information please contact Mary Jane Barker 670259 or Laura Dovey who would be willing to discuss any matter of the show with you.

### Rooster Association DONATIONS

The Rooster Association depends upon voluntary contributions to ensure continued publication of the Rooster. If you wish to contribute then please leave your donations in a sealed envelope in the Rooster box at the Roos Store/Post Office, enclosing your name, contact details & amount. All donations will be strictly confidential. Please make cheques payable to The Rooster Association. All contributions will be acknowledged in The Rooster unless you request to remain anonymous.

**We are pleased to acknowledge the kind donations, during February from:**

- Mr & Mrs Richardson
- T Brooker
- Anonymous x 4

## All Saints Church Roos

Roos Church will be opening to visitors during the summer months. We don't wish to leave the church unattended, so are needing volunteers to help with manning the Church. If you can spare a couple of hours, not necessarily on a regular basis we would be very pleased to hear from you. The planned opening times beginning on April 17th are:  
Tuesdays 10am - 2pm and 7pm - 9pm  
Saturdays 10am - 4pm  
Please contact Helen: 01964 670895 or message the All Saints Church Roos, Facebook page for further details

.....

The Parochial Church Council ( PCC ) is holding 2 meetings on Tuesday 27th March in the Roos Institute. The first is the Parish Meeting at 6.30pm and is open to everyone who lives within the Parish of All Saints' Roos and the purpose of the meeting is to elect the Churchwardens. The second is the Annual Meeting, which is again an open meeting and follows on quite quickly. This meeting is the forum for the wider congregation and users of the church at large to find out from the PCC officers and the Vicar what's happened during the last year and hear what is being planned for the coming year of 2018. There will also be the re-election and appointment of new members of the PCC and other officers.

Anyone interested in attending will be made very welcome, especially as, at the moment, All Saints' Church is looking for people who are willing to become Churchwardens as well as for new members for the Parochial Church Council (PCC) to take us forward into 2018 and beyond.

In order to undertake the role of Churchwarden, they must be members of the Church of England and be eligible to be included on the Electoral Roll of All Saints' Church. Support and training for the role of Churchwarden is available.

PCC members must also be eligible to be included on the Electoral Roll for the parish. The PCC are responsible for the administering of the life and business of the church family and property. However, someone who is not on the Electoral Roll can be co-opted onto the PCC but, according to church law, they do not have the voting rights of an ordinary member of the PCC.

The Annual Parish Meeting ends with the usual Roos first class refreshments, following which the new PCC and its officers continue to meet and hold their first official meeting

## Woodland Group Roos

January and February are always busy months for the Woodland Group - none more so than this year. With chainsaws at the ready Andrew Chudley, ERCC's Footpath Officer and Bryan Lawson kindly gave two days of their time to help a group of volunteers beginning the cut back of the hedgerow bordering Footpath 5 between Hinch Garth and Beechwood Views. Our thanks go to all who kindly provided trailers and trucks to cart away the brush and to those who provided excellent muscle power and of course refreshments! The footpath is now passable and hopefully the Council will allow the hedge to remain. This will only happen if the hedge can be managed by the community in the future. More work is needed to reduce the overall height of the hedge and to remove some of the more invasive ivy. A further working day is still planned for 31<sup>st</sup> March. All help will be gratefully received. Contact Gerard Baker at [bakerg40@gmail.com](mailto:bakerg40@gmail.com) if you can help. Hilston has now benefited with a further planting of Oak, Sorbus and Chestnut all grown from saplings donated by villagers in Roos and Tunstall. Our thanks to Brian Wells for giving us space for the trees and again to volunteers who braved the biting cold wind to get these planted.

Chair Ann Adams launched the Roos WI 97<sup>th</sup> Birthday evening at the Memorial Institute on 7<sup>th</sup> February. A letter from the NFWI chair in response to recent articles in the press was shared with members. Letters of thanks were received from the Rooster and Roos Primary School for the Roos Bingo donations. The birthday meal was a supper provided by the Hungry Hare caterers followed by a slice of the Roos WI birthday cake. We then embarked on a competitive quiz, the ladies with the most points will be going on to compete locally to represent Roos WI. Our leading competitors are Frankie Cooper, Kath Gosnold, Maggie Chambers, Joy Moate and Linda Rannard, good luck from us all.

Next Roos WI meeting is on 7<sup>th</sup> March in the Roos Village institute. Book club is meeting for a social evening 21<sup>st</sup> February in the Nancy, Burton Pidsea and the Craft club meets on 28<sup>th</sup> February in the Institute. New members are always welcome.

It is hoped to start a Short Mat Bowls club in the Pavilion at Burton Pidsea in the next few months, anyone one who might be interested can contact Ed Kyle Price on 01964 670345.

### Roos Parish Council Report: January 2018

*Parish Council Minutes are published in full on Parish Notice Boards and on the parish website – roosparish.info. The following is a condensed version of the recently confirmed Minutes for January 2018*

#### **Tunstall Drain re-alignment scheme**

Following ERYC's presentation it was agreed to ask that once the scheme was underway that the new control penstock valve at Thirtle Bridge be installed as quickly as possible.

#### **Planning**

- Variation of Condition 11 (approved plans of permission 11/05696/STPLF (change of use of land to form an extension to existing caravan park) to increase the number of static caravans from 19 to 26 and provide a circular access road instead of the previously approved cul-de-sacs at Holderness Country Park, Southfield Lane, Tunstall. It was agreed that no objections be made to the application, but to seek clarity from ERYC as to whether the units were for holiday purposes or permanent residential occupation.
- Continued use of Dual Doppler radar system in relation to monitoring wind speed and complex wind flow patterns for the existing Westermost Rough offshore wind farm at Pastures Lane Tunstall. It was reported that ERYC had refused the above application.

**Treasurer's report** The Treasurer sought and received approval for payment of the following accounts:-

- Avondale Landscapes - work on paths 1,2,4,8,10,16,17 and 18 - £305.00
- B Lee - salary/expenses for three months - £925.00
- Memorial Institute - hire of hall - £50.00
- The financial statement had previously been circulated to members and it was agreed that the precept requirement for 2018/19 be £4,000.00. The Chair and Clerk signed the demand form for forwarding to ERYC.

#### **Any other business**

**Parking at bus stops.** Cllr Devanney reported that vehicles were parking at the newly designated bus stops. It was reported that ERYC would be installing appropriate road markings, following which the owner of any vehicle being parked in these areas would be issued with a fixed penalty notice.

**Annual review of Clerk's salary/expenses.** It was agreed that the Clerk's salary/expenses be increased by £150.00 per annum with effect from 1<sup>st</sup> January 2018.

#### **Next meeting**

The next meeting to be held in the Memorial Institute on Monday 12<sup>th</sup> February 2018 commencing at 7.30pm unless otherwise advised.
