

Burton Pidsea and Tedder Hill Wind Farm Funds COMMUNITY CHEST OPTION

Both of these local Community Funds have recently introduced a simple to apply for “Community Chest” option for groups looking to apply for up to £500 in value.

As with the main fund, applications will be considered that that support community activities and amenities, educational, energy efficiency and environmental initiatives in the Funds respective and overlapping AREAS OF BENEFIT

For further information and how to apply visit:

www.eastriding.gov.uk/tedder-hill-fund

www.eastriding.gov.uk/burton-pidsea-fund

(Please remember, despite their close proximity, these Funds are completely independent of each other, have slightly differing criteria, and need to be applied to separately)
