

MULTI-VILLAGE PROJECTS

Ref	Item	Within COG budget?	Project Board decision*	COG next steps
1	Develop a website and/or “native” mobile phone app and website to promote this stretch of the England Coast Path, to include “geo-tagging”	✓	Proceed	Create a “Multi-Village” task and finish group to, in the first instance, to establish form and content
2	Develop (and subsequently sign and promote) circular walks utilising the England Coast Path route, to include, but not be limited to, target villages	✓	Explore further	COG Officer to explore further in collaboration with ERYC Countryside Access Team (once ECP route indicated)
3	Sign (fingerpost) all existing villages off the England Coast Path	✓	Proceed	COG Officer to liaise with relevant Parish Councils to decide content
4	Sign (collapsible finger post) all lost villages off the England Coast Path (with approximate date of disappearance)	✓	Proceed	Create a “Multi-Village” task and finish group to, in the first instance, to establish form and content
5	Commission public art installation to commemorate, for example, lost villages with a see-through interpretation board	Unknown	Explore further	Explore further with above “Multi-Village” task and finish group

* Key to Project Board decision

Meets the COG project budget and/or aims based on initial scoping work and cost estimates. Agreed in principle.
May meet the COG project budget and/or aims wholly or in part, based on initial scoping work and cost estimates, and is therefore worth of further exploration/investigation.
Idea does not meet the COG project budget and/or aims.
