LIFESTYLERS - THE FAB FIVE

Each year Humberside Police Lifestylers ask teams of up to five children aged 10/11 plus to compete in activities during the Summer Holidays. The winners are rewarded with various prizes.

One of the teams in Roos is "The Fab Five" who are:-

Owen Kitchen, Ryan Wingham, Bradley Patching, Jessica Norman and Emily Sennett.

Their team leaders are Paul and Steph Kitchen

They have raised £505.00 by having sponsored events which included a bike ride, a walk over the Humber Bridge, walking dogs, baking sale, van washing, stone picking from a landowner's field and gardening for Mrs M Wingham.

Mrs Farey with THE FAB FIVE

They donated £300 to Mrs P Farey head teacher at the Roos Primary School and £205 to Mrs A Coupe for the Children's Playground Fund. Money for the playground will be used to help maintain the area and the children will help Mrs Farey decide on what is required for the school.

Both Mrs Farey and Mrs Coupe would like to thank the team for their donations and wish them the best of luck in the competition.

Bonfire Night

Don't forget the animals including the wild ones such as hedgehogs. Have a good time but take care. Many people are burnt and injured each year.

THE EMERGENCY PLAN

On Sunday morning 28th September the Emergency Plan Committee held a 'Table Top Exercise' at the Tunstall Village Hall. The 'Emergency' chosen was a prolonged heavy snowfall that cut off the villages in the parish for several days, instead of the more obvious choice of flooding.

The exercise commenced with a very realistic Radio Humberside adverse weather report. Power lines and telephone wires were already down and communication by mobile phone was unreliable, with the network eventually closing down altogether. Water supplies were frozen and food supplies rapidly running out. The exercise looked at how our Emergency Plan would cope with the situation, with particular reference to communication, opening up the local road network, and the welfare of the young, old and vulnerable, especially those who may need medical attention.

The exercise was planned by Cllr Jackie Cracknell, Chair of the Emergency Committee' and Matthew Groves of ERYC, who led the exercise. The Parish Council was represented by Chair Cllr David Winter and Cllrs Dodson and Craggs. Willis Ainley represented the Community. The whole exercise was observed by two members of Garton Parish Council.

Later Cllr Cracknell received a communication from Matthew Groves to say how pleased he was with the exercise and how The Emergency Plan represented best practice. The Emergency Plan Committee would like to thank Mrs Jean Craggs for providing refreshments throughout the morning.

Coffee Morning a Huge Success

The coffee morning held at the Memorial Institute, Roos, on Saturday 27th Sept was a huge success and raised £332. This was held by Angie Maltas and Sophie Teasdale as part of their on-going fundraising for the BUPA Great North Run and ING New York Marathon. The Holderness Vikings Rugby Club and Children with Leukaemia are the charities who will benefit from the proceeds.

The morning went well and the girls had some great support from family and friends who attended and helped on the day. Villagers dropped in all morning not only to enjoy a cuppa and a slice of cake but also to donate some very tasty home baking - BIG THANK YOU!!

The first ticket drawn out of the raffle belonged to Mrs Farrington who won a Crystal Vase and Mrs Long was second with the Food Hamper (contents kindly donated by Gemma from Melbourne Butchers). There is one unclaimed raffle prize which is yellow ticket no 57. Please get in touch if this ticket is yours.

The girls completed their first challenge the BUPA Great North Run on Sunday 5th October in 2hrs 3mins. The run went well and considering the unsettled weather we have had, it was kind to them on the day as the sun shone. The big one is yet to come, the ING New York Marathon on Sunday 2nd November. Hopefully they will be fit and well to keep you updated in the November Rooster.

Herbaceous Plants

October when the soil is warm and not too wet is the best time for planting perennials. Plants make new roots quickly, but make sure they are not planted too deep, the soil line indicating the previous depth by the change in colour.

Take advantage of good weather conditions to move plants to their new locations.

Ponds

Spread netting over ponds to prevent leaves falling in and to deter herons.

Hardwood Cuttings

These are taken in the autumn from trees, shrubs, gooseberries, currants, privet, climbing roses and various other plants. Cuttings are taken from the current seasons growth 9" or 12" long , pencil thick, with a clean cut below a bud. Remove leaves leaving a few at the top and if these are long a good tip is to cut them in half so they do not cover neighbouring cuttings. The cuttings should be inserted in sandy soil about 4-5 inches deep and firmed in. Hardy plants can be inserted in the open garden in a shady sheltered place, whilst more choice cuttings should be placed in a cold frame. Hardwood cuttings will normally have made roots by the following Spring when they can be planted out or potted up and grown on for a while before being planted in their permanent position.

General

From October onwards is the time to remove leaves from borders and lawns and compost them, taking care not to include diseased leaves i.e. rose leaves with black spot.

At the meeting held on the 1st October in the Memorial Institute the President Mrs H Boynton welcomed members and the minutes were read and signed.

Mrs Boynton said that the Ghost Walk in the Old Town had been a success and enjoyed by both members and friends.

There will be a Federation Carol Service in the Beverley Minster on Saturday 20th December at 2pm at which members of the public are very welcome and it is always a pleasure to attend.

The MacMillan Coffee Morning held recently on Eastfield Estate realised £323 for this worthwhile charity. Thank you to everyone who supported Pauline and friends.

Our Quiz team gained 62 ½ points at the WI Quiz Final in Beverley on the 23rd Sept and we thank them for representing us.

The A.G.M. will be held on the 12th November, not the 5th due to Bonfire night, and will be followed by a Beetle Drive.

Our speaker for the evening was Mrs Julie Kitching who explained about Aloe Vera and its healing properties. This was an informative and interesting evening. The vote of thanks was given by Mrs H Boynton.

Refreshments were served and competitions judged:-

Decorated plate 1st Mrs E Townhill. Flower of the month 1st Mrs C Charlesworth.

Mrs Boynton thanked everyone for attending.

THANK YOU

The Church Charity shop re-opened in the Memorial Institute in June of 2004. Since then Dorothy and I have been open most Saturdays with help from time to time from Linda. Over the four years we have raised cash for the Church and The Friends of Roos Church which has been spent mainly on the current repairs to the building. I suppose lead thieves have a lifestyle to support.

I have really enjoyed the years in the shop and have met some really good people, many of whom have turned out week after week, often going home with a useful item kindly donated by someone, but probably more often with something they get home with and wonder why.

I am not getting any younger and my back certainly isn't and the movement of stock backwards and forwards on Friday and Saturday is now too much especially all the books! I have tried cutting down the stock but this just results in a poor show of items.

I have therefore sadly decided that it is time to close!

I would like to thank all the people who made donations and customers to the shop, without whose support the shop would never have been, and especially Dorothy Robinson for all her help

Tim Newton.

FLY-TIPPING

The beginning of October saw another Fly-tipping sign installed south of South End on the way to the church.

It is unfortunate that this type of sign has to be displayed to instil into the general public that tipping is not allowed.

The dustbin men will take away most things that will fit in the wheelie bin and failing that Withernsea Council Tip is open seven days a week.

Dumping rubbish is illegal and dangerous and can ruin the appearance of our neighbourhood.

Don't put up with this. Report it.

Please take note and keep the village and parish clean and tidy and report anyone who does not.

Take note of the following:-

- The date, time and place of the occurrence.
- What the waste looks like and how much there is.
- A description of any vehicles involved together with the vehicle registration number.

Then contact East Riding County Council on 01482 393939.

NEWS FROM ALL SAINTS' CHURCH

From: the Rev Pam Burdon. Tel: 01964 601464

Dear Friends in Roos,

On the evening of September 24th All Saints Church was full. Lanterns with twinkling candles lit our way up the church path and welcomed us inside! This was the special service at which I was licensed , together with my husband, Tony, to serve you in the Benefice of Garton with Grimston, Tunstall, Hilston and Roos. This is in addition to our existing commitments at Burstwick, Thorngumbald, Preston and Sproatley. It was a joyful service with the South Holderness Deanery Choir leading our worship. We made some solemn legal declarations in the presence of the Bishop of Hull and the Archdeacon of the East Riding. The bishop challenged us all to recognise the unseen presence of God alongside us in all we do. What a great encouragement to know that great truth! The service was followed by delicious refreshments. Thank you to all who came.

As I told you last month during the month of October I will be away on Study Leave. This was agreed with the bishop some months ago. We are looking forward to our time in the USA and to sharing our experiences with you on our return.

During October services will continue with the help of other clergy and Lay Readers. We are very grateful to them. For other urgent enquiries during this time please contact Tim Newton on 671659 or Brian Rannard on 670531.

Our Harvest Festival this year will be celebrated on Friday October 17th in church at 7.30 pm. You are all warmly invited.

With good wishes,

ROOS CRICKET CLUB

The club held its Annual Dinner and Presentation Night at the Northfield, Withernsea, on Friday 3rd October. Mr Ron Symes of the Black Horse Roos was the guest of honour and presented the awards.

Batsman of the year	Karl Jeffs	Andy Millbank
Bowler of the year	Mathew Dixon	Andy Smith
Fielder of the year	Karl Jeffs	Daniel Kitchen
Club Man of the year was	Paul Kitchen	

Helen Cowell received a bouquet of flowers in thanks for the excellent teas she had provided throughout the season.

A good night was enjoyed by all.

The badly disrupted season saw the first team finish mid-table in division one, but the second team finished bottom of division 3.

Both teams suffered from players being unavailable through illness, injury and work commitments and were unable to field settled teams resulting in inconsistent performances. The outcome of this was that opportunities were given to new young and inexperienced players giving hope for the future.

The club would like to thank Paul Kitchen, Michael Grant and Dudley Hulme for sponsoring the new shirts and the following for sponsoring match balls:- Jim Towler (2), Richard Tyson, Mike Green, Bob Smales, John James, The Black Horse, Alistair Moore and Jennifer Grant. This contributes significantly to club finances which help give the previously mentioned opportunities to young players.

As well as the thanks to Helen Cowell the club would also like to thank the Black Horse for their excellent after-match suppers.
