Editorial Comment

There is much to report!

Roos became really lively on a lovely warm and sunny day when both the Friends of Roos School and the WI hosted events in the village on Saturday 21st May.

Firstly, Roos WI had organised a choice of two walks for members and guests from other WI groups across the region, coming from as far away as Flambrough. Later they joined together for refreshments in The Memorial Institute.

Secondly, the Friends of Roos School had organised their 2nd Scarecrow trail through the village with The Black Horse being the focal point for the day with a barbecue and other refreshments.

Congratulations are due to everyone concerned.

However, worrying signs are beginning to appear which suggests that many groups and organisations are experiencing reduction in their membership and declining interest, particularly from the younger generations.

It seems that they are slow in coming forward to participate. Perhaps they think it is not "cool" or feel that they will not be made welcome. This could not be further from the truth as without their participation and involvement the future of many traditional activities will decline, or, worse still, cease altogether. Earlier in the month, the newly elected Parish Council held its first meeting at the start of a new four year term of office. Whilst there will be much routine business ahead, experience suggests that, when it is least expected, something will happen that will present it with a real challenge.

We wish the Council well.

Continued on page 2

THE 'He has terrible tusks, and terrible claws' GRUFFALO

There was a real sense of anticipation in the air as children, parents and friends installed their Scarecrows throughout the village on Saturday 21st May. Although the officially scheduled start was not until mid-day, the first scarecrow was found taking a rest on a road corner as early as 8.30 am!

The occasion was the 2nd Scarecrow Trail organised by the Friends of Roos School to raise funds to benefit pupils of Roos Primary School.

The day was warm and sunny and more and more scarecrows began to appear until by mid-day there were a record 33! They stretched out for nearly a mile from North End to near the Church which had been specially opened for the day.

Families and friends collected their route map from the starting point just behind the Black Horse, where a barbecue was already being prepared. They set off on the trail to view 33 entries and to vote for their favourite. This was no easy task as they were all of a very high standard. It was apparent that a great deal of imagination and care had gone into their construction.

People who had not seen each other for ages exchanged greetings and engaged in friendly banter.

SCARECROW TRAIL

continued from page 1

Family groups across all age ranges including some from Burton Pidsea and Withernsea came together to join in the fun, to chat and compare notes about the various entries.

There was a real buzz and a sense of fellowship in the air

Withernsea Army Cadet Group was on hand to lend their assistance as at times Main Street seemed as busy as Whitefriargate in Hull!

As people returned to the Black Horse to hand in their votes they were welcomed with a hot dog and other refreshments.

Soon the votes began to add up and

eventually the Gruffalo, who had been perched high amid the greenery of shrubbery at North End with the other animals from the story fleeing from beneath his feet, emerged a worthy winner. An all singing, dancing, Elvis Presley at the end of Greenacre Park came second, with a couple of motorcyclists in Elm Garth coming third.

Mrs Dawn Megson, Treasurer of F.O.R.S, said "Over £277 profit has been made for the school and I would like to thank everybody who has helped in any way, the participants and everybody who came out to support us".

East Riding Councillor Jackie Cracknell

This must be the first time that a member of our parish has been elected to serve on East Riding County Council since its formation in 1996.

Jackie is well known throughout the area having lived in Holderness for over 22 years. She moved and settled in Hilston 11 years ago. She serves as

Churchwarden at St Margaret's Parish Church and remains an active member of the Hilston and Tunstall Residents Association which mounted a robust and ultimately successful defence at the recent Monkwith Windfarm Public Inquiry.

However, some things are not so well known. She was born in Hertfordshire, and spent most of her formative and working life based in and around London. During early education she obtained Certificates and Diplomas in Management Studies and, later, a City & Guilds qualification as a Science Laboratory Technician. In 1979, she joined the British Transport Police and her career in the Police Service started, serving in uniform, C.I.D and later, into specialist secondments within the Metropolitan Police Service.

She attained the rank of Detective Chief Inspector, and of Acting Superintendent, in which she managed a number of departments becoming responsible for over 150 police and civilian personnel. Her operational duties ranged throughout the United Kingdom and Ireland but also to France, Belgium and China. Her experience has covered most, if not all, major criminal offences,

from disasters to drugs to terrorism.

Unfortunately, during investigations into aspects of the Potters Bar train disaster, she sustained an injury which resulted in her premature retirement from the Police Service.

This enabled her to devote more time to work within the local community and in 2006 became a member of the Roos Parish Plan group and a year later was elected to Roos Parish Council.

Her police training and experience in, emergency, response and contingency planning, were tested to the full during the flooding events of 2007. She subsequently led the development and production of an Emergency Plan which was later adopted by the ERYC as an example of best practice. It is now used throughout the area.

In 2011, following an intensive and thorough selection process, she was selected by the Conservative Party to be one of the three official candidates to stand at the local elections in May this year. Following election, she has been appointed to serve on three committees of the ERYC:

- the Eastern Area Planning Committee;
- the Police Authority Committee, and,
- the Corporate and Communities Overview and Scrutiny Sub-Committee.

However, she continues to serve as Vice Chair of Roos Parish Council and together with Cllr. Richard Stead and Cllr. Arthur Hodgson the views and opinions of South East Holderness and Roos Parish should be well represented at County Hall.

Alan Lavender MBE.....

Introducing Alan Lavender MBE.

To Alan Lavender - the very best chef.
Dennis Thatcher Margaret Thatcher

Alan Lavender came to live in Roos following his retirement as Head Chef at Chequers, the Prime Ministers Country House in Buckinghamshire.

After training at Croydon College he developed his professional skills in various hotels in London before he joined the RAF. He spent most of his time as a Personal Chef to Royal Air Force Officers, a role which eventually led him to Chequers where he led a team of four chefs and other kitchen staff. This number of chefs was necessary to cope with the many guests that had to be catered for. Although the headlines in the newspapers might identify a couple of key guests, they would be accompanied by all their support staff, ranging in importance from political advisors and secretarial staff to security people and so on. Sometimes this would involve preparing different kinds of meals for up to as many as a hundred people, for the duration of their stay.

His role would extend to cater for the many Charity events held at Chequers. Throughout this period he frequently

represented the UK as a member of 'Club Chefs Des Chef', a world-wide organisation reserved exclusively for Chefs serving Heads of State and Prime Ministers. These annual meetings took him to Canada, China, Greece, France, Switzerland and Mauritius.

During the early 1990's he served as a Celebrity Chef and guest

speaker for Cunard.

More recently, he has worked in education with young people through the British Academy of Culinary Arts in their 'Adopt a School' cookery awareness scheme, and until very recently he was involved in promoting healthy eating and lifestyle through the teaching programme 'Healthy Ambitions' with the, Family Learning Division, of the East Riding of Yorkshire Council.

Occasionally he still dons his whites and chef's hat to cook locally, and of course, to write for the Rooster!

Tea for two with Mrs T

Wimbledon Fortnight, Racing at Royal Ascot and the Test Match at Lords - this usually means that 'rain stopped play'!

But, just in case it is hot and sunny, it is well to be prepared, Alan Lavender writes,

"For this month I thought it would be nice to include a couple of afternoon tea recipes that I would often be asked to prepare and serve during the Thatcher premiership years.

Lady Thatcher was a great fan of "traditional afternoon tea" particularly if the weather enabled it to be served outside on the beautifully manicured lawn, or in the small enclosed "secret garden" she particularly enjoyed using. She loved to maintain the great County House traditions, and whenever possible would take great pains to explain the history of the House to her guests. When she left office, her husband Dennis said, " the only thing he would miss would be times they spent together at Chequers".

Sticky Tea loaf

1/4 pint tea
4 oz sultanas
5 oz castor sugar
4 oz butter
1 teaspoon bicarbonate of soda
6oz sieved plain flour
1 egg
1 teaspoon baking powder

Line a loaf tin with baking paper

Put the first 5 ingredients in a pan and bring to the boil, simmer for 2 minutes and remove from the heat and cool

Add the egg, flour and baking powder and mix well. Place in a tin and bake for about 35 minutes on 160° C. When cool, the cake should be wrapped in foil, to keep it moist.

Eccles cakes

8 oz puff pastry
2oz butter or margarine
2 oz mixed peel
2 oz Demerara sugar
8 oz currants
Pinch of mixed spice

Mix the filling ingredients together

Roll out pastry thinly. Cut out rounds 5 inches in diameter. Damp the edges with water and place a teaspoon of the mixture in the centre of each round

Fold the edges over to the centre and completely seal in the mixture. Brush the top with egg white and dip in castor sugar

Cut 2 incisions with a knife and bake at 200C for about 15 minutes. Serve warm if possible

69th Annual Summer Show

Preparations are well in hand for the Roos & District Horticultural Society's Summer Show to be held on Saturday July 2nd in the Memorial Hall, Burton Pidsea.

Schedules are now available from Mrs J. Grant on 01964 670576 and from local shops.

The Show has over 150 Adult Classes including Floral Art, Cultural Flowers, Vegetables & Fruit, Bread & Cakes, Preserves, Wine, Honey, Eggs, Handicraft, Painting, Farmers' Classes, as well as the very popular, Photography section.

There are also 30 Children's Classes which include Flower Arranging, A small pot of Marigolds grown from seed, Make a Kite, Painting, Handwriting, Handicraft, Cookery and a Photography class titled "A Holiday Photograph"

To book a Craft or Table Top Stall (£4.00 per stall) or a Charity Stall (free of charge) contact Mrs J. Grant. On 01964 670576

Stalls from 2.00pm, Show opens at 2.30pm.

Children's Sports 3.00pm

Presentation of Trophies by the Reverend Pam Burdon & the Reverend Tony Burdon at 4.00pm

The Raffle is drawn at 4.15pm

Admission to Show, Adults £1.00, Children free.

Refreshments are available.

The Society is encouraging young people to become involved as they are the exhibitors of the future who will help ensure the continuity of the Show. The Junior Competitors Award of Merit for a pot of Marigolds awarded jointly by the Royal Horticultural Society and the Roos and District Horticultural Society is designed specifically to encourage children to discover the joys of gardening and exhibiting.

The Annual Clay Shoot will take place on Sunday June 26th from 1.00pm. Location on the left about ½ a mile out of Roos travelling towards Burton Pidsea.

ROOS *Mini Market*

The Mini Market held at the Memorial Institute on 27th and 28th May was a huge success with the sum of £688 being raised for the upkeep of the Institute.

Much effort was put in by the Committee who gave their time and worked extremely hard in making sure that everything was just as it should be! Not forgetting also, the 'ex-pats of Roos' - (Margaret, Barry and Joyce) whose help was much appreciated. Many thanks to everyone who gave articles for sale, cakes and prizes and came to support the Mini Market.

This year's Annual Draw will be an Autumn Draw (instead of Christmas) and will be held on Friday 21st October 2011. The entertainment will again be the popular MICE MEN - so watch out for further details (and also for those Draw Tickets coming through your letterbox!)

THANK YOU! *on behalf of Christian Aid*

Please may we use the pages of the Rooster to deliver our heartfelt thanks to the generous people of Roos, Hilston and District. The little red envelopes into which so many of you put money recently have been emptied and totalled.

You have given a total of £550. In addition to this there will be the GIFT AID contribution from the Chancellor of £150. This is the tax returned from those of you who filled in your details on the envelopes.

The money will be used to support rural schools in Nicaragua. Using local materials and self-help community labour, this will go a long way towards building a village school.

To find out more about more about how the money is used you can go to www.christian.aid.org.uk

**Christine & Denis Houlton,
Village organisers of Christian Aid.**

Rooswi Oyez-Oyez-Oyez

*Mr Michael Wood
East Riding of
Yorkshire Council's
official Town Crier*

The June W.I. Meeting was chaired by Dot Walker, Vice President, and the Minutes and correspondence were read out by Joy Moate on her first meeting as Secretary. Joy was thanked for accepting this role but members were reminded that a Vice-Secretary was still needed to cover for holiday times etc.

followed by a meal at Broadacres, Bridlington. A deposit of £10 is required for the July meeting.

The first round of the Federation Quiz is to be held at Ottringham on Monday 27 June.

The Group Rally at Bilton was a very enjoyable evening. There were lots of entries in the various classes with Burstwick winning overall with 24 points. The evening was rounded off with a foot - tapping session by the Stoney Creek Boys.

Our speaker for the evening was Michael Wood who gave us a very loud, amusing and interesting talk about his role as East Riding of Yorkshire Council's official Town Crier. Michael has been a town crier for the past 14 years and currently holds the title of Britain's loudest crier! He also does corporate, charity and community work in his role, and had some funny stories to tell us, including some amusing proclamations made at various events, always starting with 'Oyez Oyez Oyez' Members appreciated that at the end of his talk, he gave a special proclamation for our W.I.'s 90th Birthday!

The flower of the month was won by Jennifer Grant with an Iris and the competition for a bell was won by Joy Moate.

To celebrate the occasion of Roos W.I.'s 90th birthday, an afternoon trip has been organised - a visit to Scarborough theatre on Wednesday 21 September to see 'Calendar Girls'

Rooswi walk.....

First walkers ready to set off

Roos W.I. had the pleasure of arranging the East Yorkshire Federation Spring Walks which were held on Saturday 21st May - a very busy day indeed at Roos, as it coincided with the Scarecrow Trail!

The weather was perfect for walking and over 50 ladies and three gentlemen came from as far afield as Flamborough and Bridlington as well as Hollym, Hedon and villages west of Hull. They were able to choose between a walk around Roos village, a walk to Tunstall, Sand-le-Mere caravan park and home again along the sea road and then returning to Roos via the public footpath near the village shop. A longer walk for the keen walkers was via Rimswell, Tunstall etc.

A sub-committee worked extremely hard preparing a very tasty ham salad lunch and various desserts with tea and coffee which were ready to serve to the walkers - who had worked up a good appetite - on their return to the Institute.

It was a very long and tiring day but most enjoyable for everyone and such a pleasure to 'show off' Roos! Many thanks to all who helped in any way.

ROOS PARISH 'RES' Pre-Construction Fund

It will be recalled that RES UK & Ireland Limited have made a commitment to make an annual donation of £5,000 to support community groups.

The fund was launched at a meeting held in March 2011 which was attended by representatives from community organisations in the parish.

The committee responsible for its administration held its first meeting on Monday 16th May 2011 to consider five applications from community organisations for a grant.

The following were awarded:

- **Roos & District Horticultural Society** £1,000 to replace the roof of the marquee used for Summer Shows
- **Roos Cricket Club** £1,000 awarded to purchase a roller
- **All Saints Bell Ringers** £1,000 awarded for purchase of new bell ropes

The other two applications were deferred to the next meeting, pending receipt of further information about the proposed projects.

Additional applications to the fund are most welcome and the closing date for receipt of applications for consideration by the next panel meeting is 30th June 2011.

To obtain more information please contact:

TUNSTALL Coastal Protection Scheme

A significant meeting was held on Friday 27th May, when Graham Stuart MP, met with representatives of the Environment Agency, Officers of the East Riding of Yorkshire Council and the, Keyingham Level Internal Drainage Board, in order to discuss the proposed Coastal Defence Scheme at Tunstall. County Cllr. Jackie Cracknell together with Parish Councillors from Roos and Rimswell attended.

CAR BOOT

On the morning of Sunday 22nd May, the Car Boot Sale held in Roos Playing Field raised £257.94 in aid of the Playing Field Association.

There were twenty one car booters and although it was mainly sunny, they had to brave the high wind and it was not very warm. Unfortunately at 11.30am the heavens opened and the majority of people dispersed.

Our thanks go to all who attended and a special thanks to Anne Cymbalist who helped in the kitchen.

Dedication Day Service: Roos Church of England Primary School

A message from the Rev.Pam Burdon

Our Dedication Day service this year will be held on THURSDAY, July 7th at 10.00 am in All Saints Church. It will be the end of year school service and we will offer our prayers and good wishes especially for the children who are leaving Roos Primary School this year.

All are very welcome to attend.

With good wishes,

Pam Burdon.

PLEASE NOTE: This year, the day of the service has been changed from the usual first Wednesday of July to the Thursday instead.

FARMYARD BINGO

In March 2007 a group of ladies got together to hold bingo evenings. The primary aim was to provide somewhere for everyone to meet friends and to welcome new people into the village.

These bingo evenings far exceeded expectations - and with tempting prizes of meat, provisions and chocolate - we were very soon making a tidy profit! In deciding how to distribute the funds, although everyone involved had their own favourite charity, it was decided it would be best to keep the money raised in the village and so benefit local organisations. To date almost £4000 has been given to local groups! Those benefited have been children and senior organisations, sports and hobby groups, the Memorial Institute, Roos Church and the Rooster.

Unfortunately, like many organisations, attendance has been dropping recently which means that in turn, not as much money can be given back to the village as we would wish - but we live in hope of seeing more of you at 'Bingo' in the future.

Please come along and support the Bingo evenings held on the 2nd Tuesday in the month, have fun, a cheering cup of tea or coffee and have about 25 chances to win tomorrow night's tea or some naughty but nice chocolates!

Hope to see you there!

Dot Walker

Roos Parish Council 2007 - 2011

A retrospective review

Cllrs. Smales and Tyson, with Parish Clerk Barry Lee, "signing in" following the recent elections.

As a new elected parish council starts a new four year term of office, it is perhaps timely to look back at some of the more eventful and challenging issues that the Council has had to address over the last four years.

Without doubt, the most significant and unexpected challenge came as a result of the heavy and persistent rainfall throughout the area which resulted in severe flooding in June and July 2007. Roos was severely affected. It was the cause of extreme shock and distress for many residents with extensive damage to many properties in the centre of the village. The Taylor Report was commissioned to provide an in-depth analysis of flooding issues. It identified many of its causes and provided the basis for extensive remedial work that been undertaken with the Council working in partnership with residents and the ERYC.

In particular, Roos Beck has been cleared and is regularly inspected for obstructions to maintain its freeflow. Camera inspections have identified problem areas underground.

Additional drainage has been installed, the most recent being remedial work on Rectory Road. Taking everything into account work throughout the village is estimated to

have cost in excess of £300,000, which will help to minimise the risk of another such event re-occurring.

The event highlighted the need for an Emergency Plan to help meet any similar emergency in the future. A group worked together on its development, with the outcome being adopted as a model of good practice by the ERYC. It is currently being reworked in partnership with nearby parishes to include other potential emergency situations.

The decision of the ERYC to refuse planning permission for the Tedder Hill and Roos Windfarms was challenged by the respective developers and became subject to Appeal.

Following two Public Enquiries held by the Planning Inspectorate, both Appeals were upheld. The decisions remain a matter of concern for those who value the rural nature of the parish and south east Holderness.

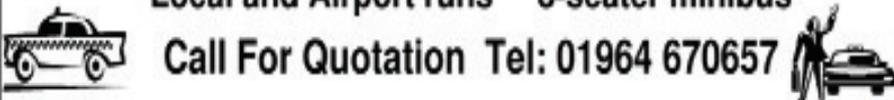

The four year term started with steady progress being made in implementing the Parish Plan, adopted in 2006 and by the end of 2010 most of its recommendations had been realised. The most significant of which was the realignment of Aldbrough crossroads thereby removing a notorious fatal accident black spot. Other traffic calming measures were introduced throughout the parish. Hodgson Lane, leading to the Medical Practice, has been significantly upgraded. Conservation Areas have been designated in Roos, Tunstall and Hilston.

The evident success and value of the Parish Plan led the Council to commission its revision. The necessary research and consultation is well underway. The outcome may help the Council resolve some issues such as identification of land suitable for allotment use and a reduction in fly tipping. The development of the refreshed Parish Plan is being supported by a financial grant from RES.

Looking ahead, the implications for the parish of the ERYC Local Development Framework and the Localism Bill will soon have to be considered.

Let's hope they do not throw up any unexpected surprises!

South Holderness Medical Practice

Following the retirement of Dr Robert Fouracre at the end of March, the Practice name was changed from Dr R.D. Fouracre & Partners to 'South Holderness Medical Practice'. The Practice covers St Nicholas Surgery, Withernsea and the Patrington and Roos surgeries.

At the Roos (Hodgson Lane) surgery the hours and facilities will remain the same and at the present time the doctors available are Dr Robert Blackburn, Dr David Fitzsimons and Dr Darren Wheatley.

Parish Council Minutes are published in full on Parish Notice Boards and on the parish website - roosparish.info

The following topics were considered by Roos Parish Council at its Meeting held on 9th May 2011

Apologies were received from Cllr. Coupe.

Proposed allotments in the parish

A further response was received stating that the currently identified site was unsuitable. It was agreed that a further appeal to landowners to release suitable land to the Council for allotment provision be made through The Rooster.

The Pinfold

It was agreed that improvement works to the pinfold take place during the second week of June and that members liaise with Cllr. Ward to put the work in hand.

Severe winter weather pilot fund

Cllr Cracknell reported that the Parish Sub Group was testing a mini tractor for possible use in the parish. A report would follow.

Flooding and land drainage

Rectory Road

- It was reported that ERYC contractors had now complete land drainage improvements. Further work on the dykes would be carried out together with an inspection of the grips near the Old Rectory.
- It was agreed to enquire of ERYC about grips which had recently been provided.
- It was reported that Mrs Dennis of Cherry Hill Park had been in contact with ERYC in respect of surface water drainage from the estate to the pond on Rectory Road. A reply was awaited.

Tunstall coastal defence scheme

The Environment Agency confirmed that representatives would attend the June meeting to give an update. It was agreed that Rimswell Parish Council be invited to attend the meeting to commence at 7.00pm.

PLANNING MATTERS

Editorial note: The following are reported in full.

Decisions

It was reported that the ERYC had approved the following applications.

- Alteration and extension of former agricultural buildings at Hall Farm Tunstall.
- Erection of outbuilding at The Haven Roston Road Roos .

It was reported that the ERYC had refused the following application.

- Erection of stable/tack room at land south of Rectory Lane Tunstall.

Applications

- Change of use of land to form an extension to existing caravan park at Holderness Country Park, Southfield Lane, Tunstall.

It was agreed to object to the above application on sustainability grounds, coupled with the traffic pressure on Southfield Lane and land drainage issues within the area. Also, the increased development of tourism in that particular area, given the recent planning approval extensions to the Sand le Mere caravan site.

- Erection of two guyed 80m anemometry masts for a period of 24 months at land west of Sunderland Farm, Rectory Road, Roos.

It was agreed to object to the above proposal although Council was advised that the applicant was in the process of supplying additional information to ERYC which the Council would be consulted upon.

- Erection of 67m wind turbine construction of new access road and ancillary development at Carr Farm Tower Road Rimswell.

Cllr. Tyson declared an interest in the application and left the meeting whilst the application was discussed and a decision on any comments to be made to ERYC.

It was agreed to object to the above proposal citing sequential cumulative impact grounds together with the site's close proximity to the coastal zone.

- Erection of single storey garden room extension at Hawthorne Rise, South End, Roos.

Cllrs. Ainley and Ward declared an interest in the application and left the meeting whilst the application was discussed and a decision on any comments to be made.

It was agreed that no objections be made to the proposed development.

- Demolition of single storey building at rear to allow for development at the site at Roos Arms, Main Street, Roos.

Cllr. Cracknell declared an interest in the application and left the meeting whilst the application was discussed and a decision on any comments to be made to ERYC.

It was agreed that no objections be made to the proposed development.

Emergency plan

Cllr. Cracknell confirmed that she would be seeking the help of Alan Bravey of ERYC when a date to hold a further 'table top' exercise had been agreed.

Parish plan

Cllr Ainley reported that Awards for All had refused funding towards its revision, but that other possibilities were being explored.

Parishmatters

Treasurer's report

The Treasurer sought and received approval for payment of the following accounts:-

Memorial Institute - Hire of premises - £45.00, Walsh & Co - internal audit of accounts - £120.00, R. R. Smales & Partners - purchase of ten tons of salt - £780.00.

Any other business

Hodgson Lane - It was reported that Wold Construction were undertaking minor improvements to the carriageway following the earlier major works to the road.

Public session

Mrs Blenkin raised issues concerning the proposed erection of anemometry masts near Sunderland Farm, and a letter received from her

was read out in full.

Co-option of new member

Written applications were received from two people for the vacant Councillor position and it was agreed that Alec Dodson be formally co-opted onto the Council.

Roos Parish Open Meeting

Monday 11th July 2011, at 7.00 pm in the Memorial Institute

This meeting is specifically called to enable residents of the parish to discuss issues and address questions directly to the council about matters of local concern.

Please make every effort to attend as this is your meeting and NOT a Parish Council Meeting.

Parish Council Meeting to follow.

Campanological Canine

Seeks Sponsors!

The Roos Bells Appeal now stands at over £32,000 which is a brilliant effort but we need to keep going.

Roxy Audley is going to do her bit to raise some more money by walking the High Hunsley Circuit on July 9th. This is a 25 mile circular route starting at Walkington. Roxy will drag her owners along too. The walk is being organised for the Roos Bell Fund by some of the ringers from Beverley. Gill Dickinson and Diane Lavender will also be taking part.

We are hoping as many people as possible will sponsor us.

Roos Cricket

Roos 1st Team has had a difficult start to the season having lost all their games to date. Fielding a young, inexperienced team - but full of enthusiasm - it is only a matter of time before the first win and then surely more will follow!

The 2nd Team however, has won 3 out of 4 of the games played and sit close to the top of the table - a marked contrast to last season's 'bottom two' finish.

Off the field, James Kendall is leaving to join the RAF and the club wishes him well. The club has also been successful in obtaining a £1000 Grant from the RES Pre-Construction Fund, which will go towards the purchase of a wicket roller. The cost of this will be £2400 so some fund-raising events will be organised to help meet the balance. On a financial note, we would like to thank our match ball sponsors to date. Sally Wray (Enabling Independence) Dudley Hulme, Paul Kitchen (Black Horse) and Bob Smales. Anyone wanting to sponsor the club in any way can contact Dudley Hulme - Tel 01964 670379.

June/July Fixtures:

18th June

Roos 1st X1 v Patrington 3rd X1	Away
Roos 2nd X1 v East Park Marist	Home

9th July

Roos 1st X1 v Bransholme & Kingswood	Away
Roos 2nd X1 v Hull 4th X1	Home

Drawing things together

Over recent weeks a group of up to 10 art enthusiasts have been meeting regularly each Thursday evening between 7pm and 9pm in the upstairs room at the Black Horse, to develop their skills in drawing and painting.

Their skills range from the absolute beginner through to those of reasonably experienced amateurs.

Whilst it is not an art class with a teacher, experience has already shown that the mutual support of the group and friendly discussion has helped people develop their ideas and techniques.

Les Dickenson, a member of the group, says,

"The 'nitty gritty' details of getting started have been resolved and

it's now time to see if other people would like to come and join in, all that anyone interested has to do is to get their equipment and materials together and come along and get started.

Although initially the emphasis is on drawing and painting, it is hoped that people with other art or craft interests, for example, embroidery, marquetry, model making or calligraphy, may wish to join in.

If anyone is interested and would like to know more please give me a call, or better still, just pop along on a Thursday night and see for yourself. Why not give it a go".

Telephone Les Dickinson on 01964 670888

Television Digital Switchover

A letter has been received by Roos W.I. relating to the forthcoming Digital Switchover to take place on **3rd and 17th August 2011** in our region.

The Hull CVS ('Community and Voluntary Services') Ltd. offers to assist in providing advice and support in connection with the switchover. If you feel this would be of interest please contact their Switchover Team by telephone: **01482 595570** or e-mail: digitalswitchover@hull-cvs.co.uk
