Number 251

Rooster Editorial

The Roos inaugural Beer festival was a great success with over 200 people sampling the many beers and ciders organised by Mathew at Great Newsomes Brewery. Dudley and Sue Hulme worked tirelessly to get the event off the ground. Thanks also goes to the small band of helpers both on the day and before, to FORS for running the BBQ so well and also to all the local businesses too numerous to mention here that sponsored the beers and ciders with the result that we will have made in the region of £1500 to £1600.

Good luck to Sally and Nicky on their charity bike ride in Brazil next month, I believe there will be a just giving web page soon for any donations. We are looking forward to hearing about their adventures when they return.

The dog exercise area is up and running (pun intended) but as usual a small minority of dog owners are not picking up, perhaps naming and shaming is the only answer to stop this anti-social behaviour. This can be done anonymously by contacting the local dog warden at East Riding Council either online or by ringing 01482 396301. Roos Parish Council has promised to contact ERYC as well to discuss some visits by the Dog warden to the village so that people will realise that we are all fed up with this problem.

Finally, don't forget the Heritage weekend at Roos parish church, admission is free (see poster in this issue). It's the first time our church has participated in this national event.

There is no Rooster next month as holidays get in the way of our production but please send in any articles you wish to publicise and we will endeavour to put them on the Rooster Facebook page.

Farmyard Bingo Roos

On a cold and very wet August evening 26 hardy souls braved the weather and went to bingo. It was a good night with the winners coming from all tables. We had a lot of prizes on the raffle and again they were well spread out. The donation this month went to the Amenities Group with Margaret Dodson collecting it on their behalf.

The next bingo is	September 12th.	Poultry
	October. 10th.	Mixed Meat
	November 14th.	Poultry

Join us at the Memorial Institute. Everyone welcome.
Doors open 1845, eyes down 1930.

The sponsor of this edition of the Rooster is Owstwick Country Kennels & Cattery. Thankyou
We still need new sponsors to keep the Rooster going. Please contact Alan on 671322 if you can help

Roos WI

Roos WI ladies met on 2nd August for an evening with Fiona Nolan, a presenter from The Body Shop. It was great fun and informative, lovely to see the products in action as one lucky lady had a free facial. Following the demonstration the ladies were informed of the summertime activities which included a fab garden party at Margaret and Alec's, fish and chips at Hornsea lifeboat station, afternoon tea at the Barn in Winestead and last but not least the Roos WI stall the Roos show. The president Dot Walker thanked everyone for participating.

Next meeting of the Roos WI is on 6th September, The Life of Agatha Christie by Chris Watson in the Institute.

Next book club is on 16th August, 7.30pm at The Nancy in Burton Pidsea and the craft club is meeting on 27th September at the Institute.

New members always welcome, please contact Joy on 01964 671321 or Dot on 01964 671250.

Rooster Association DONATIONS

The Rooster Association depends upon voluntary contributions to ensure continued publication of the Rooster. If you wish to contribute then please leave your donations in a sealed envelope in the Rooster box at the Roos Store/Post Office, enclosing your name, contact details & amount. All donations will be strictly confidential. Please make cheques payable to The Rooster Association. All contributions will be acknowledged in The Rooster unless you request to remain anonymous.

We are pleased to acknowledge the kind donations, during July from:

2 x Anonymous

All Saints Church - Tunstall
Strawberries and Steam Fundraiser

It was a great afternoon and on behalf of the PCC we want to take this opportunity to express our gratitude and thanks to everyone involved in this event. In particular those who gave their time to organise and advertise the afternoon. Our volunteers on the day who baked tons of scones, worked in the field, on the stalls and served refreshments in the church, not forgetting our helpers in the kitchen who prepared our delicious strawberry cream teas. We also want to thank everybody who provided donations and gifts for our tombola, raffle and bric-a-brac stalls and all those who showcased their vintage vehicles, fossils and engines, as without your contribution this event would not have been the success it was.

Everybody enjoyed the steam engine rides and we are overwhelmed by the support and generosity of everyone and delighted by the amount of money raised on the day.

In summary, an excellent afternoon in sunny Tunstall and a very successful 'fun for all' community event.

Thank You

Rev Martin Faulkner

A little light relief
Nursery Nonsense.

A Change

If I were my mum
and my mum was me
then I'd be tall
and my mum would be three.

If I were my mum
and my mum was me
then I would be wearing bra's
and my mum could climb a tree

If I were my mum
and my mum was me
my mum would be eating sausages
and I'd be cooking tea.

If my mum was me
and I were my mum
wouldn't it be strange
because I'd be changing my own bum!

My Friend.

My friend is called Fwedewick
and he's played with me all day.
He likes my train and football,
he thinks my trampoline's OK.

We've played all over the Garden
and climbed the biggest tree.
He doesn't want to go home yet
as he likes playing just with me.

We've played catch
and a boring game of tig
for even when I've caught him
he doesn't give a fig.

For Fwedewicks my best friend
of that I can confirm
for he's sitting in my pocket
which is easy when you're a worm.

ROOS LIFESTYLERS 2017

Two local Roos boys Alexander Watt aged 10 and Harvey Stathers aged 11 have been very busy over the Summer holidays with the desire to help both the young and old as part of Humberside Police's Lifestyle scheme. The boys want to provide equipment for the local playpark and to provide a day out for senior citizens in the village. They have held weekly stalls outside Melbourne Butchers, helped senior citizens tidy up their gardens and will be hosting a coffee morning at the community centre on Fri 25th August with homemade buns, raffle, stall and entertainment, all welcome.

Annual Parish Meeting 2017. This gives opportunity for members of the parish to raise issues with the Council.

- It was suggested that future meetings be held outside the school holidays and harvest times. It was agreed to review the calendar accordingly.
- A request for a footpath on Rectory Road has been raised on several previous occasions and discussed with the ERYC. The estimated costs were prohibitively expensive.
- It was asked whether wind farm community fund monies could be directed towards such initiatives. It was noted that each fund awarding panel is constrained by their specific Constitution and Legal Agreements established between the Developer and the ERYC. Discussion highlighted the need for groups and organisations to join together to develop an overall strategy for community initiatives across the parish and wider area of benefit.

Roos Parish Council Report: August 2017

Parish Council Minutes are published in full on Parish Notice Boards and on the parish website – roosparish.info

Proposed bus stops - Main Street. It was reported that ERYC had received several objections and comments which noted that the location is very close to residential properties, shops and pubs in the busiest part of the village. Additionally, it was likely to create a blind spot for drivers exiting Hodgson Lane. A less disruptive location will be identified further up the road.

Pilmar Lane A few objections had been received from some residents of Eastfield Estate.

A location adjacent to the bench seat would cause least disturbance.

Planning applications

Display of 1 externally illuminated fascia sign and 1 non-illuminated hanging sign at 1 Main Street, Roos - 17/02219/PAD - No objection.

Erection of two storey extension to side and associated alterations at Butterfly Cottage, 1 North End Road, Roos - 17/02426/PLF - No objection.

Erection of Log Cabin as a replacement dwelling for 2 Coastguard Cottages, at land west of Parkfield, Seaside Lane, Tunstall - 17/02566/PLF. - No objection. (It was noted that this application would be considered in relationship to ERYC 'Coastal Policies' - coastal erosion and 'roll-back' conditions.

Planning decision

Erection of single storey extension to rear and side at Manesty, 6, South Park, Roos. Approved

Any other business

Tedder Hill Wind Farm Fund re-launch.

The fund is now open to receive new applications with a closing date of October 31st 2017. It is proposed to move the annual timetable for applications to the Autumn.

Community Chest - In line with emerging ERYC policies it was agreed to consider on-line applications at any time during the year for funding of projects and items costing up to £500. (subject to available funding). The financial limit is set to avoid the need to submit three quotations. Current fund balances: £25,393 (sustainability criteria) and £7,260 (broad criteria).

Tunstall Coastal Defence Scheme

Enquiries were raised about the silting adjacent to the drain outfall into the Humber at Stone Creek and its impact upon the Tunstall Coastal Defence Scheme. It was agreed to invite representatives of the Internal Drainage Board and ERYC to a meeting in October/November to provide a progress report.

Date of next meeting: 11th September at 7.30 in the Memorial Institute.

ROOS WOODLAND GROUP

As the summer draws on, the apples are ripening on not only the Roos Woodland Group trees, but on those in gardens around the village. Once again we will be collecting apples to press into 'Roos Juice' to sell around the villages to raise money for our tree planting efforts. If you have apples to offer, please let us know - and also of course if you would like to offer assistance picking. Everyone that gives us apples, or helps, gets a fair share of the juice made. We will aim to pick apples in the first three weeks of October. At the same time in the autumn we will be planting spring and autumn flowering bulbs around the village paid for by our recent grant from the Roos Windfarm Fund. If you have a sunny grass verge that you would like to plant with crocus and other bulbs, please let us know and we can get some to you. Equally, if you would just like to help us plant, please get in touch - we've trees to plant as well! Planting sessions involve a fun hour or two with refreshments provided. Later in the autumn, on October 28th, we will be hosting a winter. feast in the Village Memorial Institute - keep the date free in the diary as it is bound to sell out quickly.

You can contact us on email at either bakerg40@gmail.com or on the phone on 07791519467
